BIG

VIEW

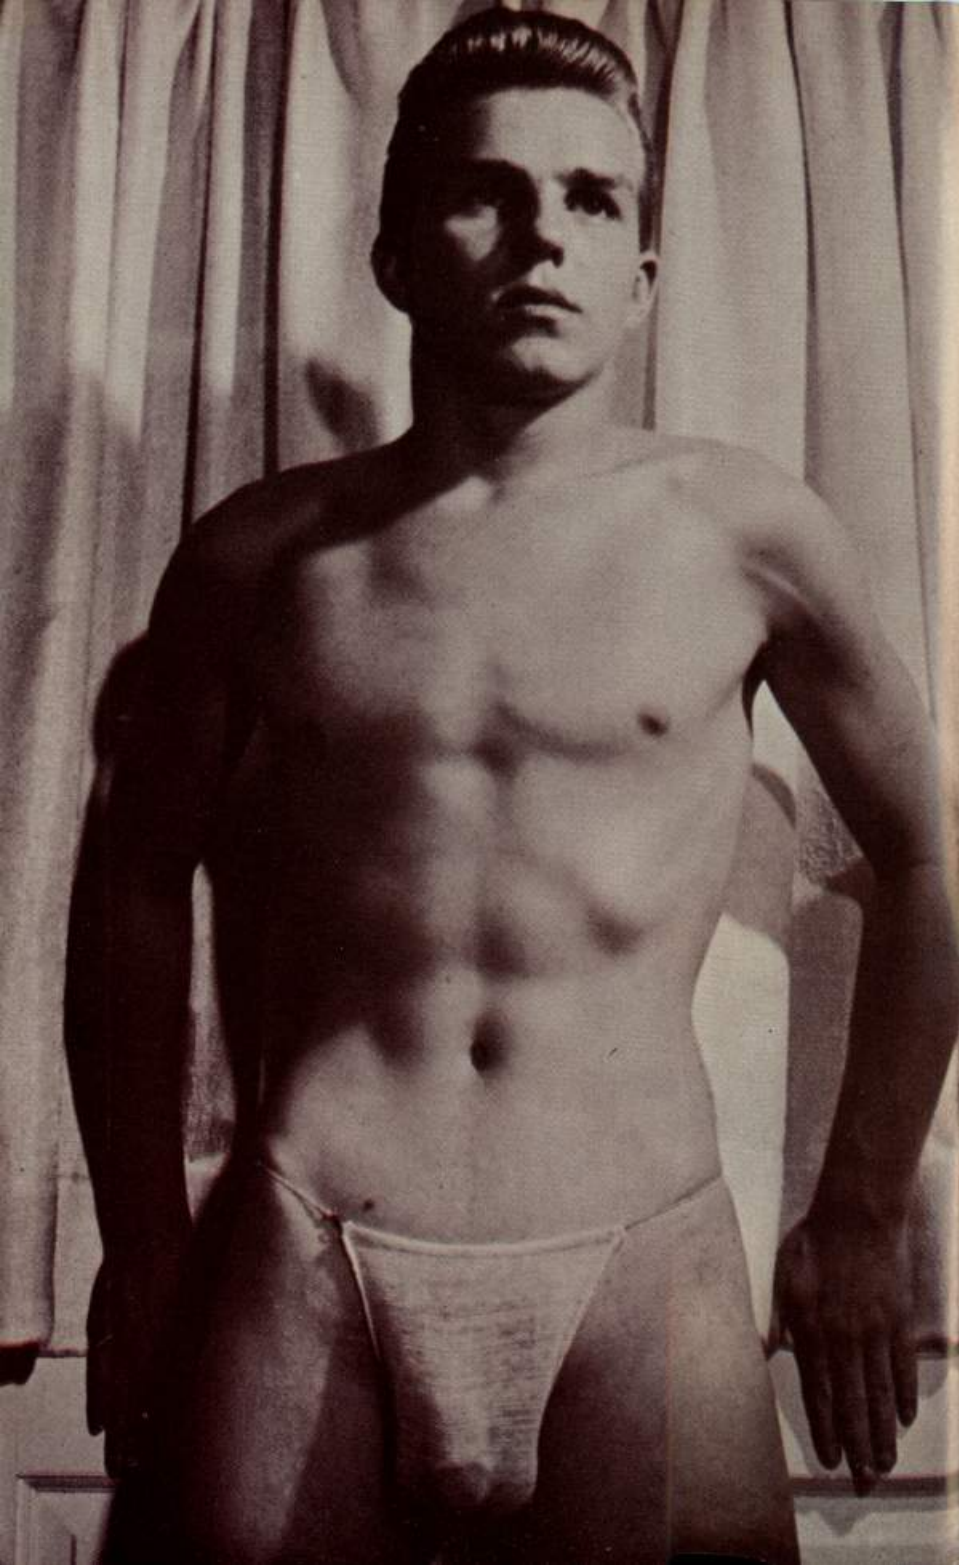

BIG's point of view should serve to inspire the young men of this nation to keep physically fit through healthful indoor and outdoor activity.

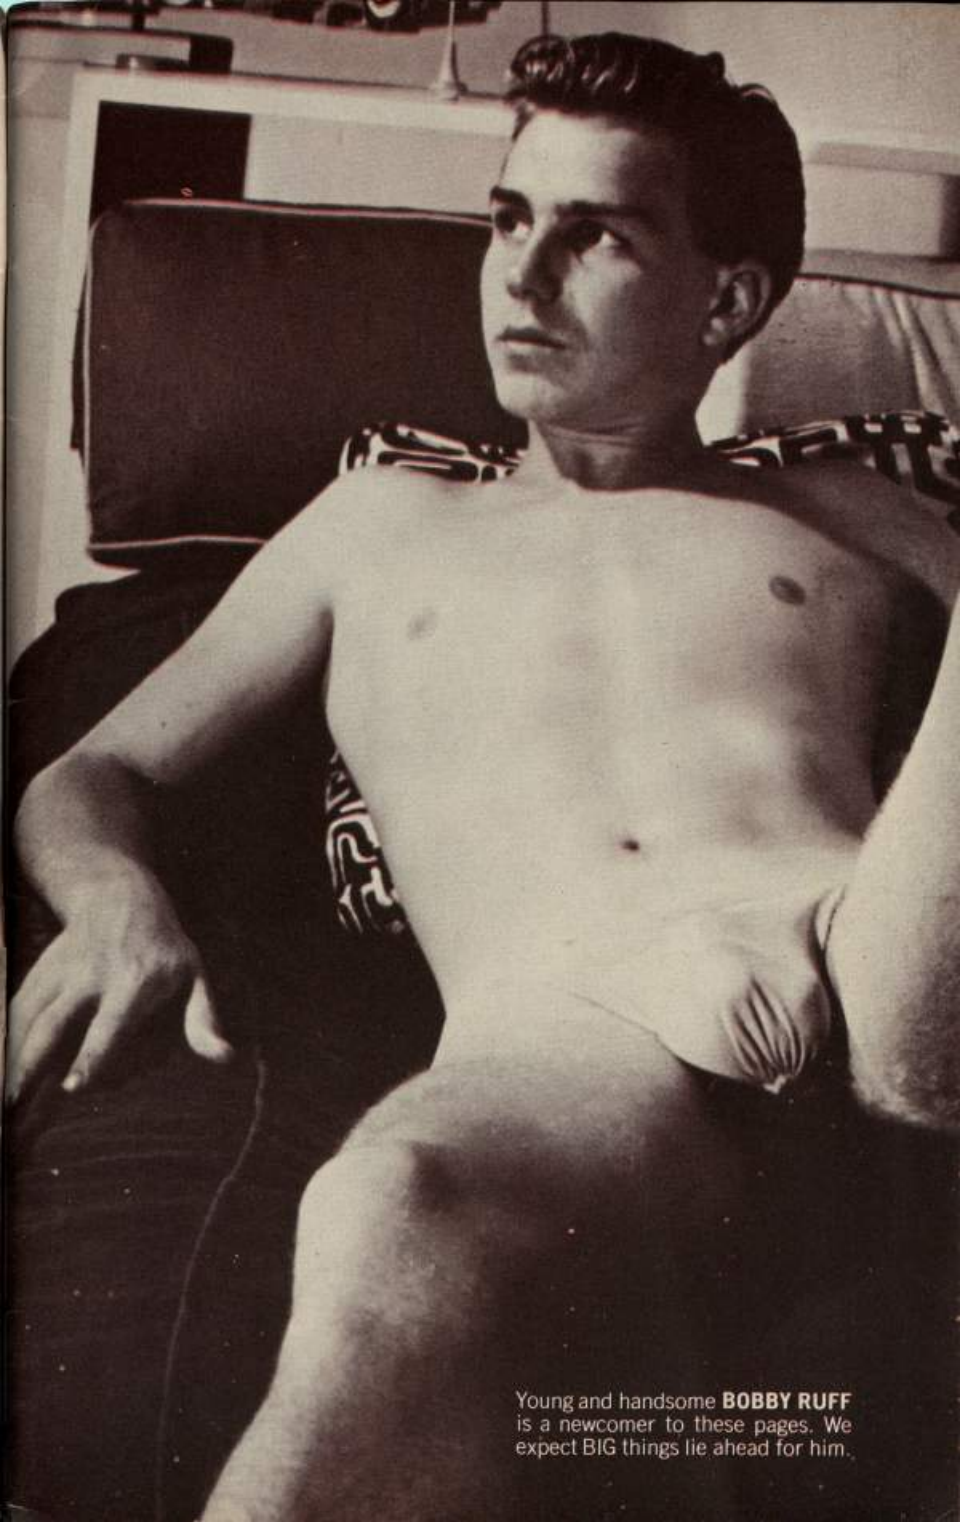

BIG is published bi-monthly (every other month) by WALJIM ENTERPRISES, INC., Box 3255, Grand Central Station, New York 17, N.Y. Subscription rates are \$6.00 for 12 issues sent to you by sealed first class mail in plain wrapper. Foreign readers (except Canada and Mexico) please add \$2.00 to the above rates. All photos, manuscripts and art submitted to BIG become the property of BIG and submission of material will be construed as permission to publish same without any further correspondence.

All BIG rights reserved under International and Pan-American Copyright Conventions.

© 1964 by Waljim Enterprises, Inc.

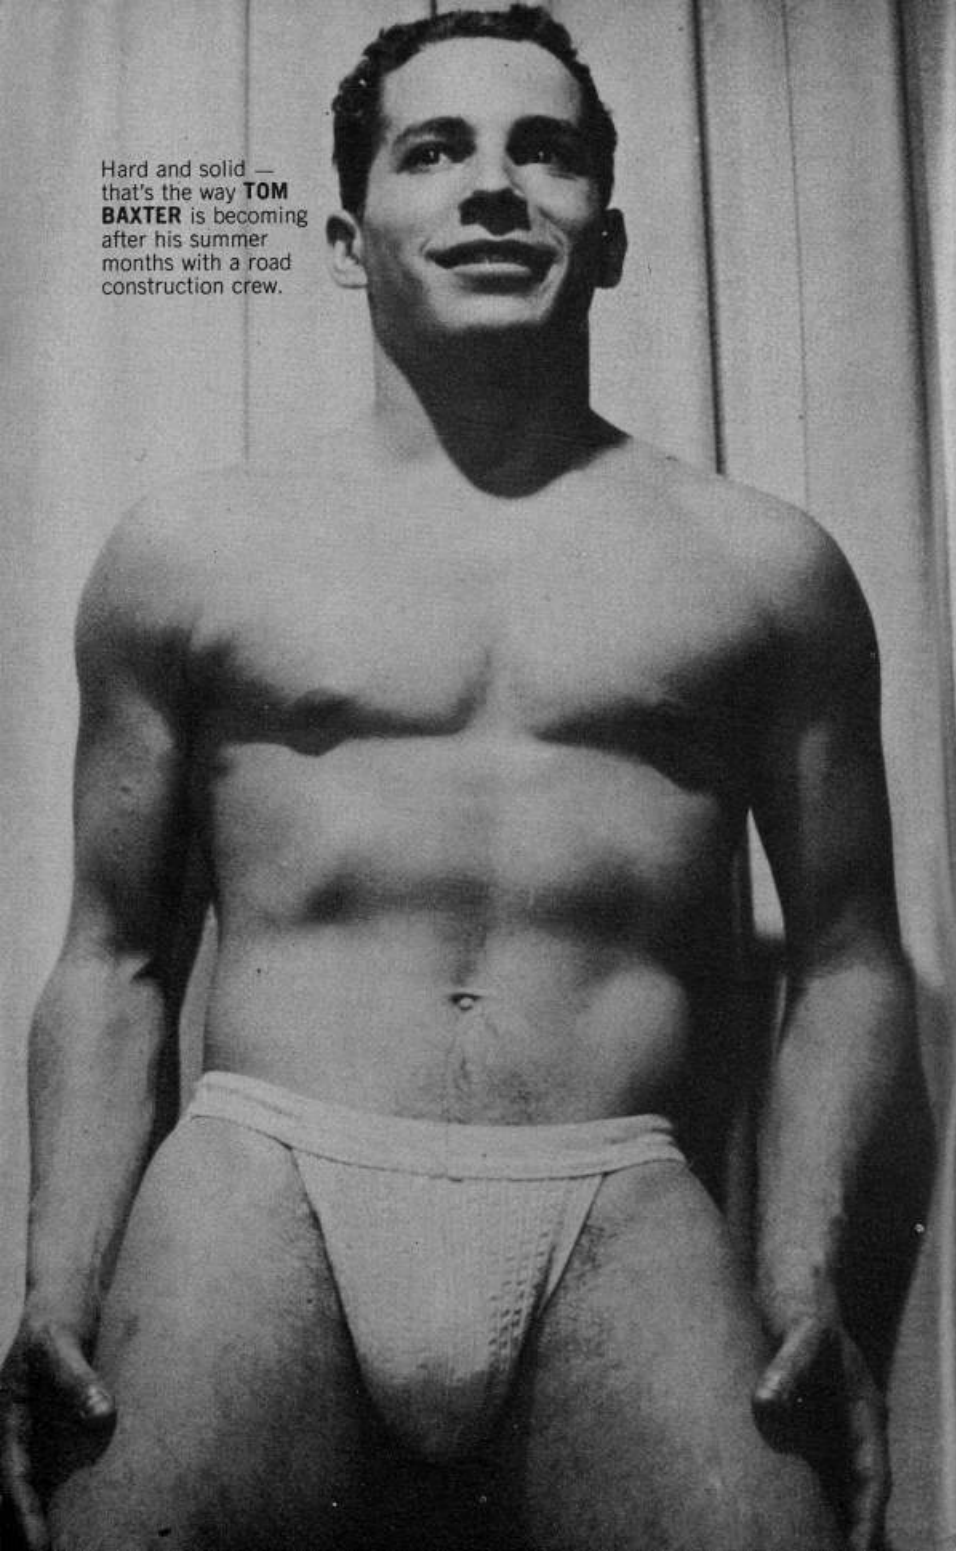

Printed in United States of America.

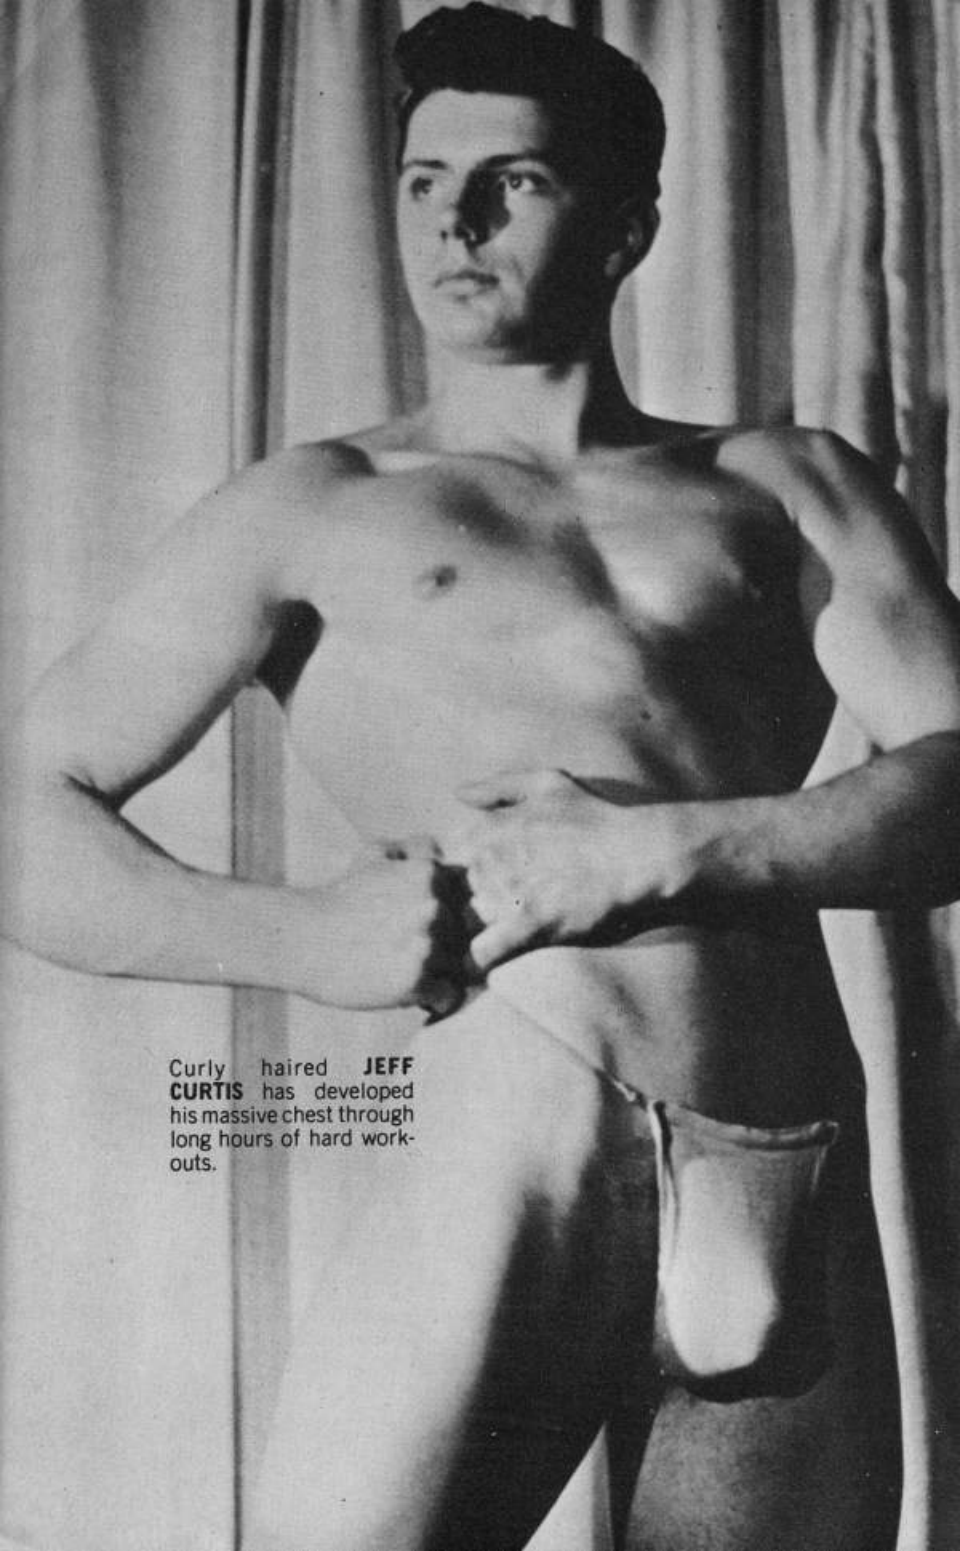

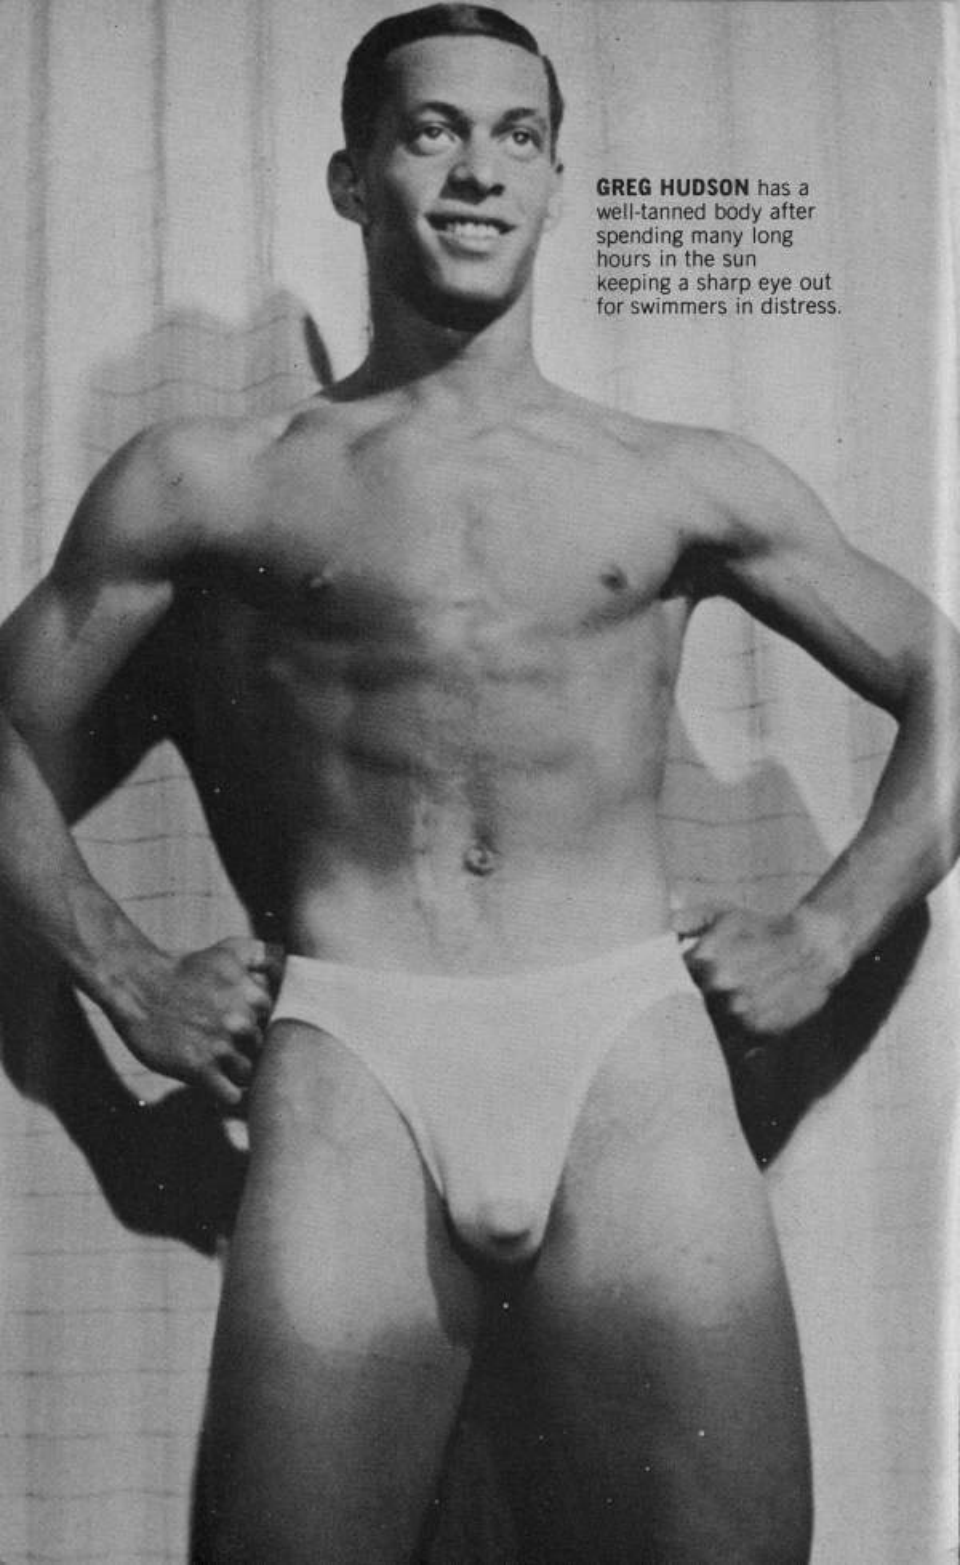

Young and handsome **BOBBY RUFF** is a newcomer to these pages. We expect BIG things lie ahead for him.

Hard and solid —
that's the way **TOM
BAXTER** is becoming
after his summer
months with a road
construction crew.

Curly haired **JEFF CURTIS** has developed his massive chest through long hours of hard workouts.

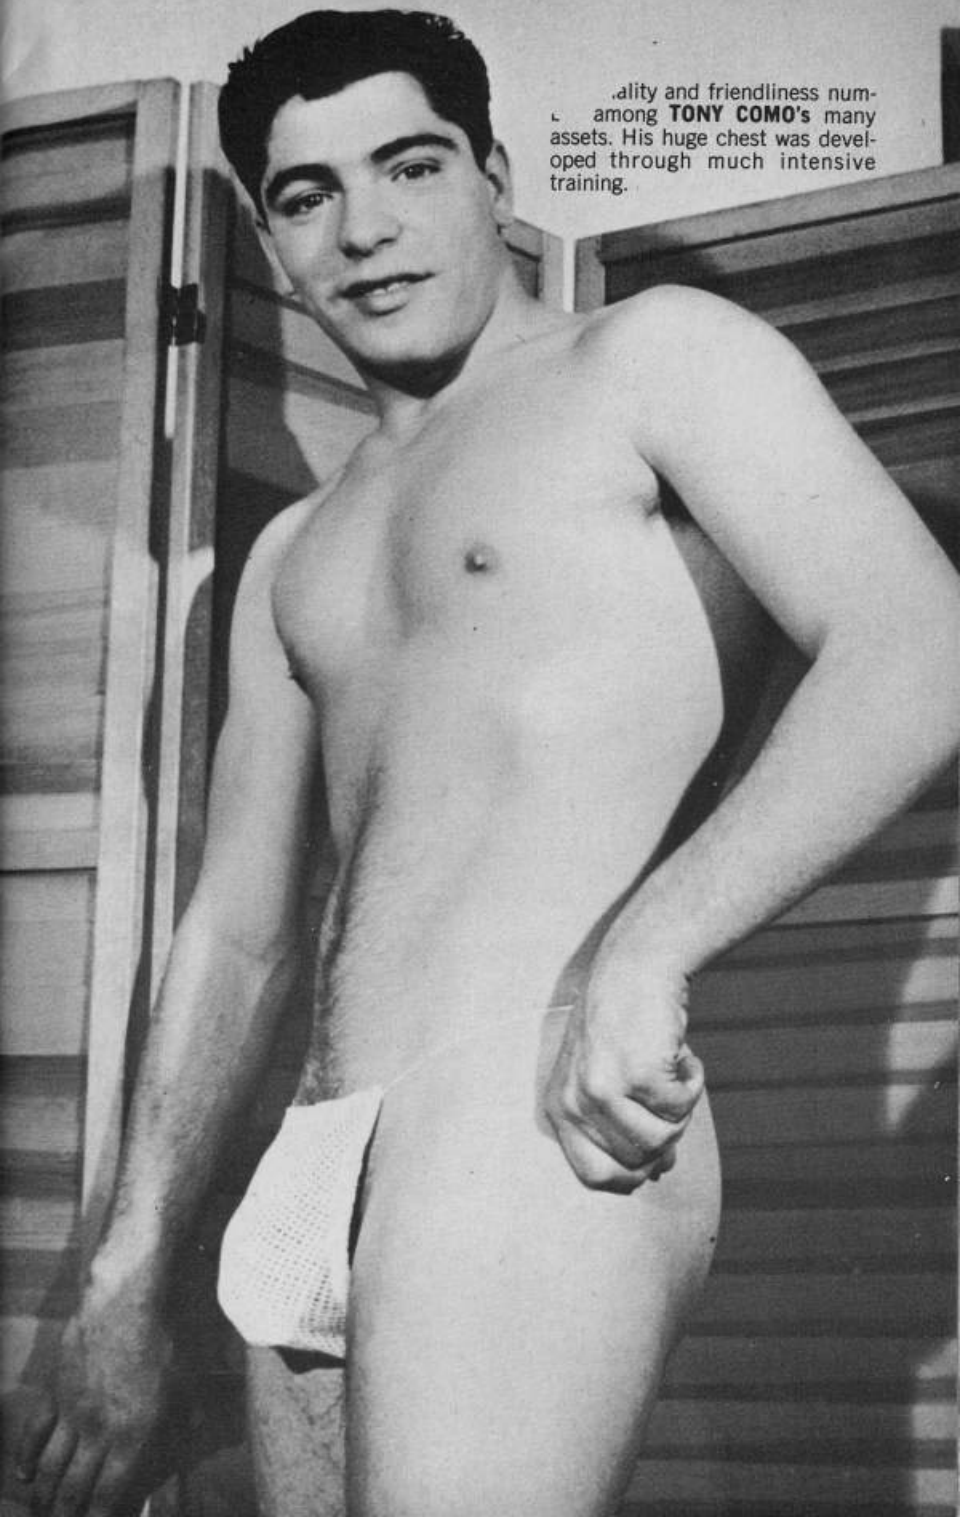

GREG HUDSON has a well-tanned body after spending many long hours in the sun keeping a sharp eye out for swimmers in distress.

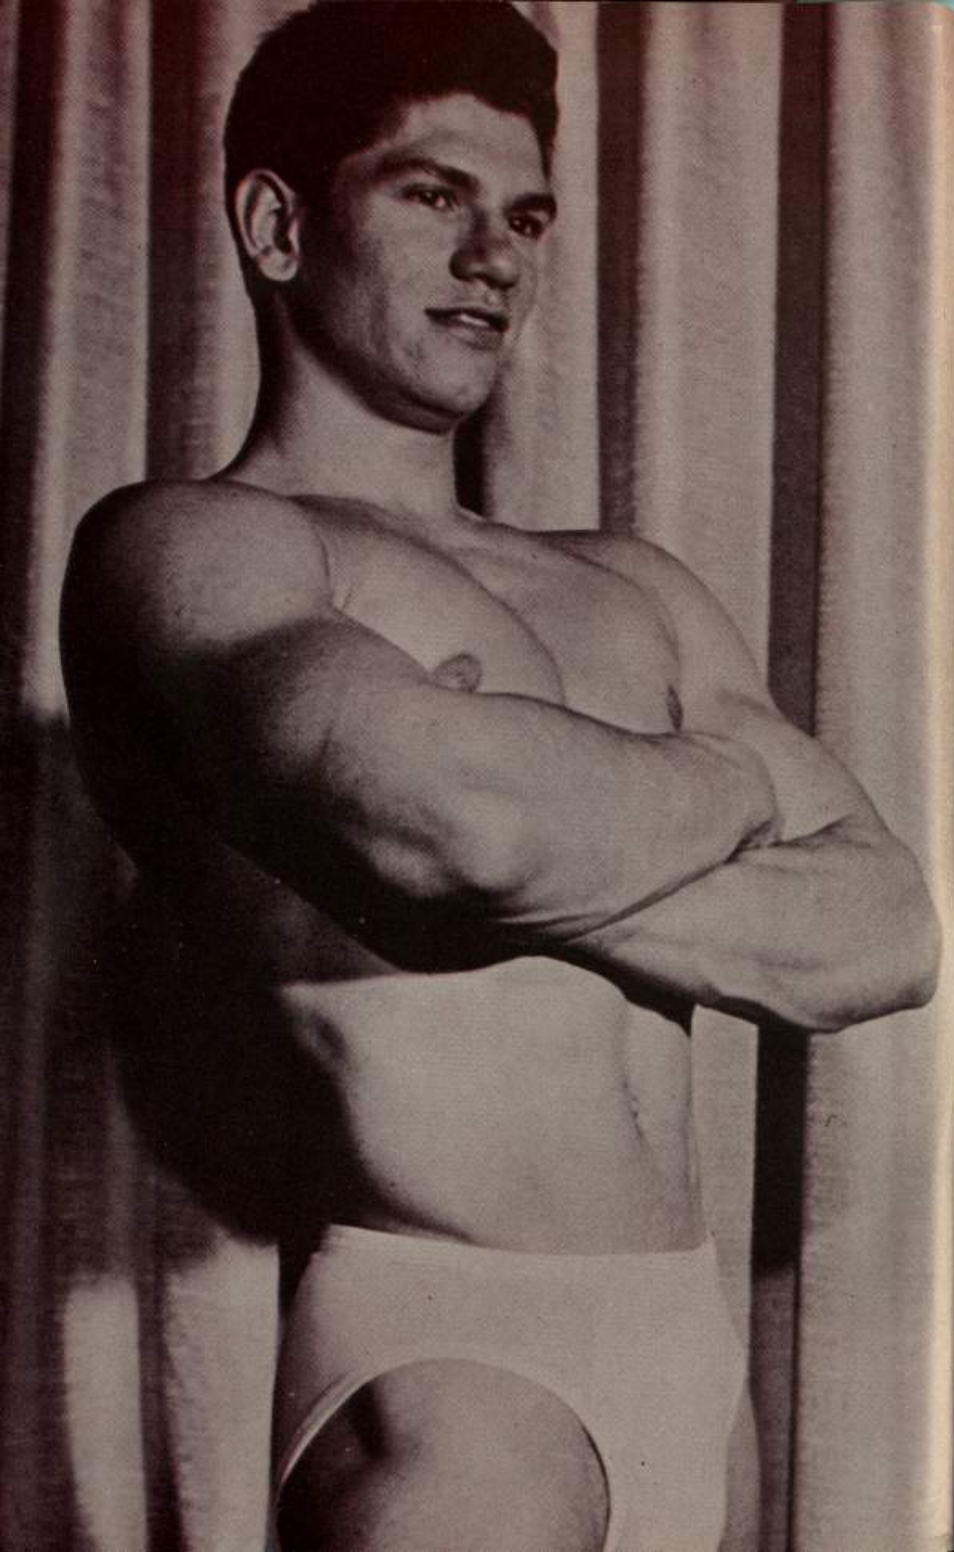

A black and white photograph of a young man, identified as Buddy Horne, sitting and looking towards the camera. He is shirtless, showing a muscular build, and is wearing white briefs. He has dark hair and a slight smile. The background consists of vertical curtains. The lighting is soft, highlighting his physique.

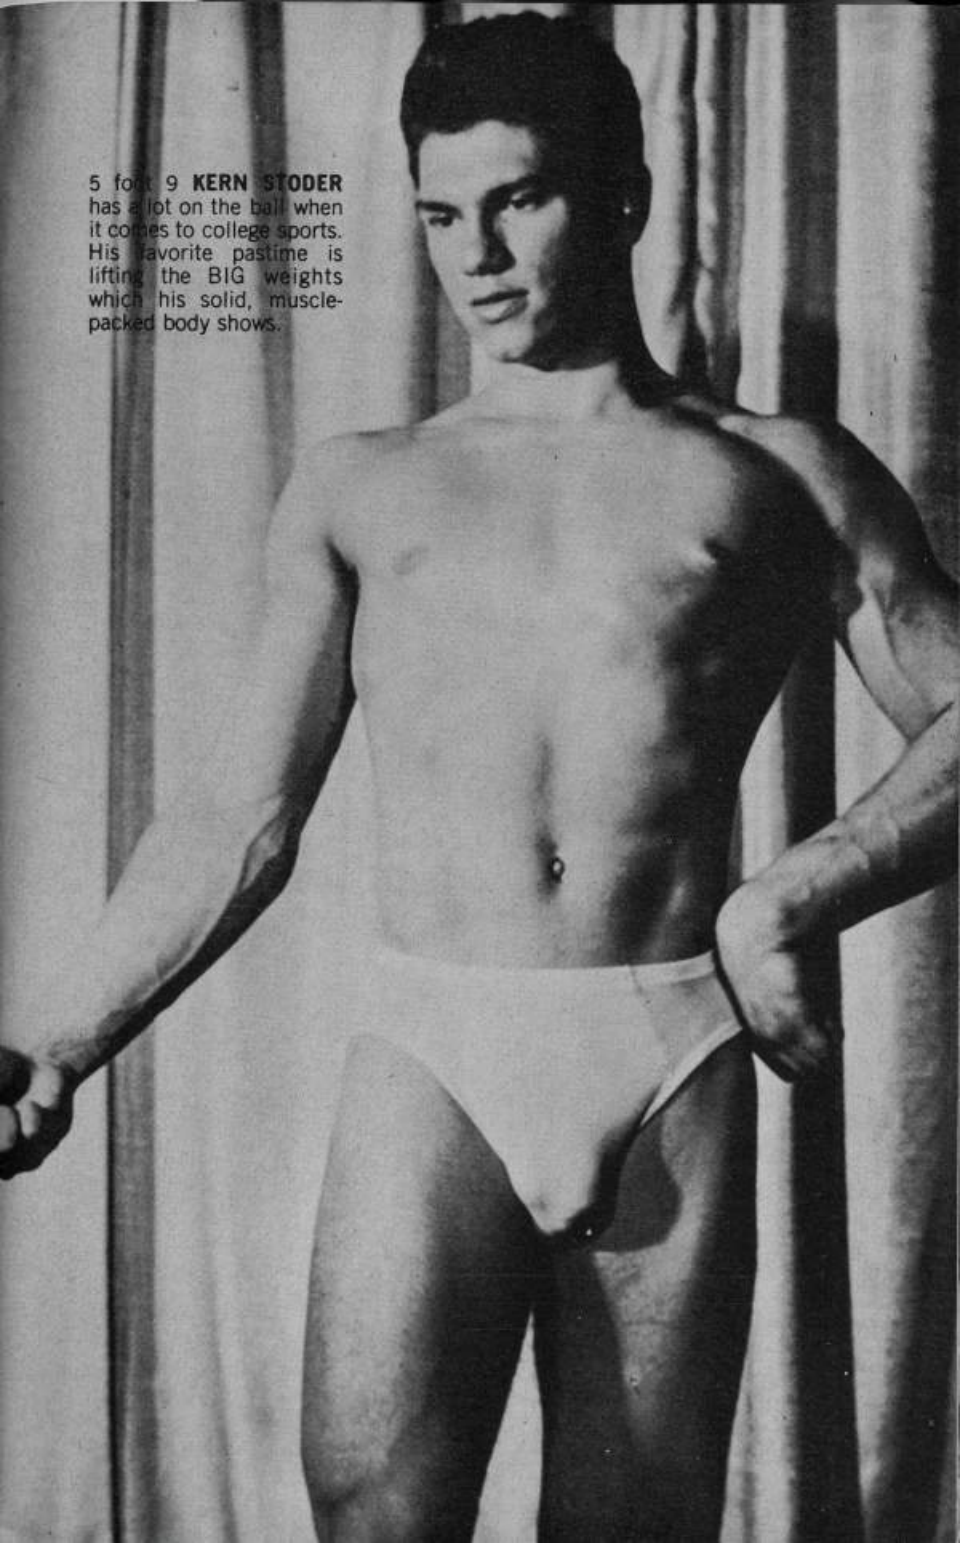

Dark haired **BUDDY HORNE** is sly and cunning. He's the sporty one — with baseball and football at the top of the list.

ality and friendliness num-
ber among **TONY COMO's** many
assets. His huge chest was devel-
oped through much intensive
training.

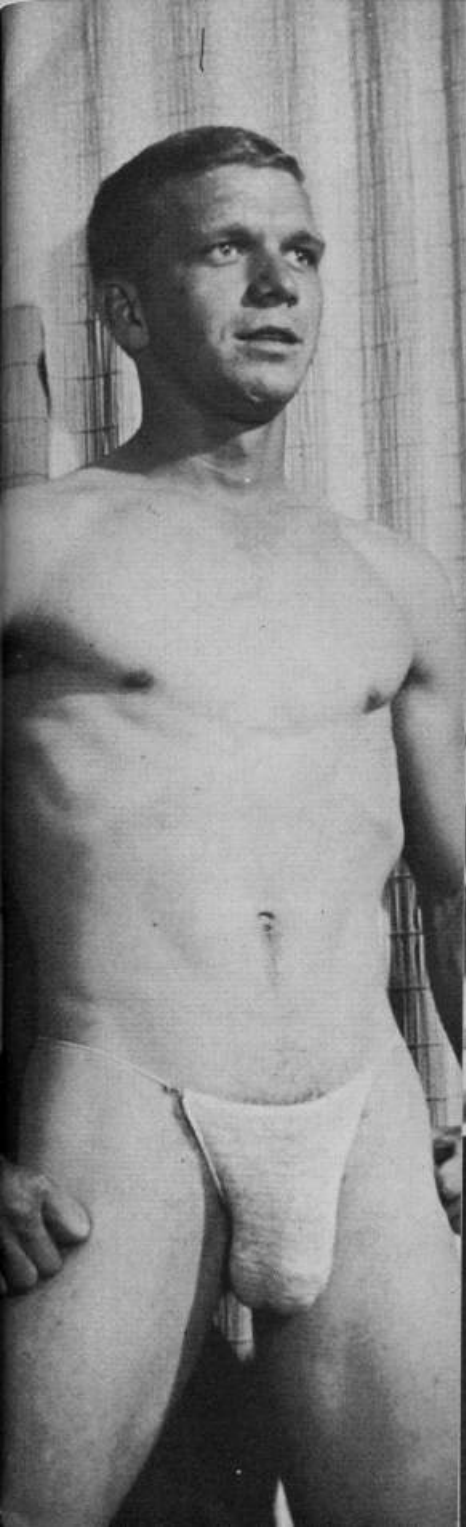

5 foot 9 **KERN STODER**
has a lot on the ball when
it comes to college sports.
His favorite pastime is
lifting the BIG weights
which his solid, muscle-
packed body shows.

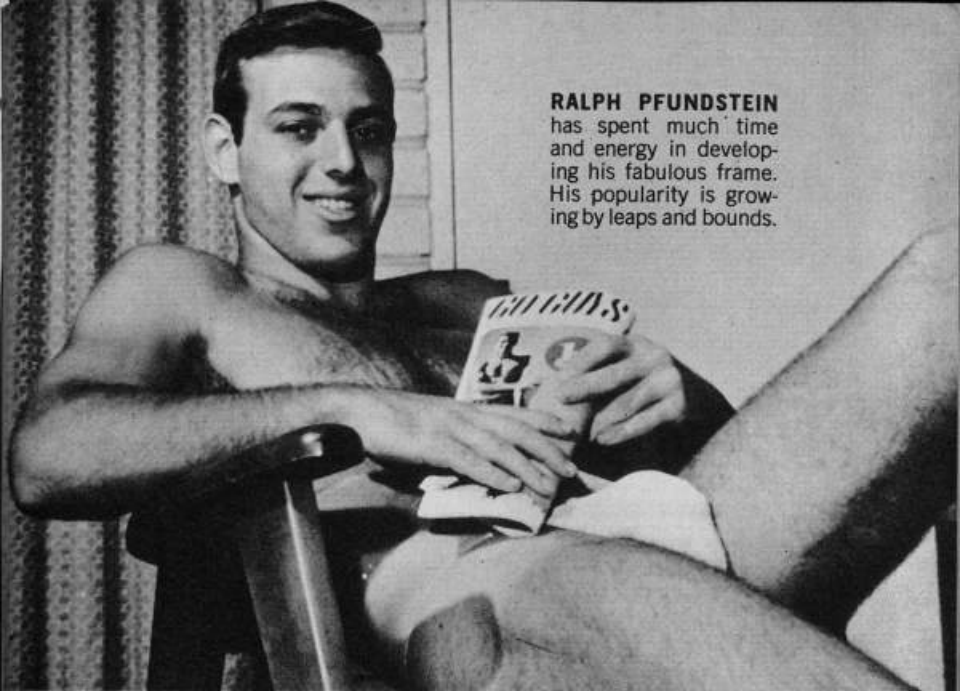

MIKE STEVENS stays in top form through workout sessions nightly at his neighborhood gym.

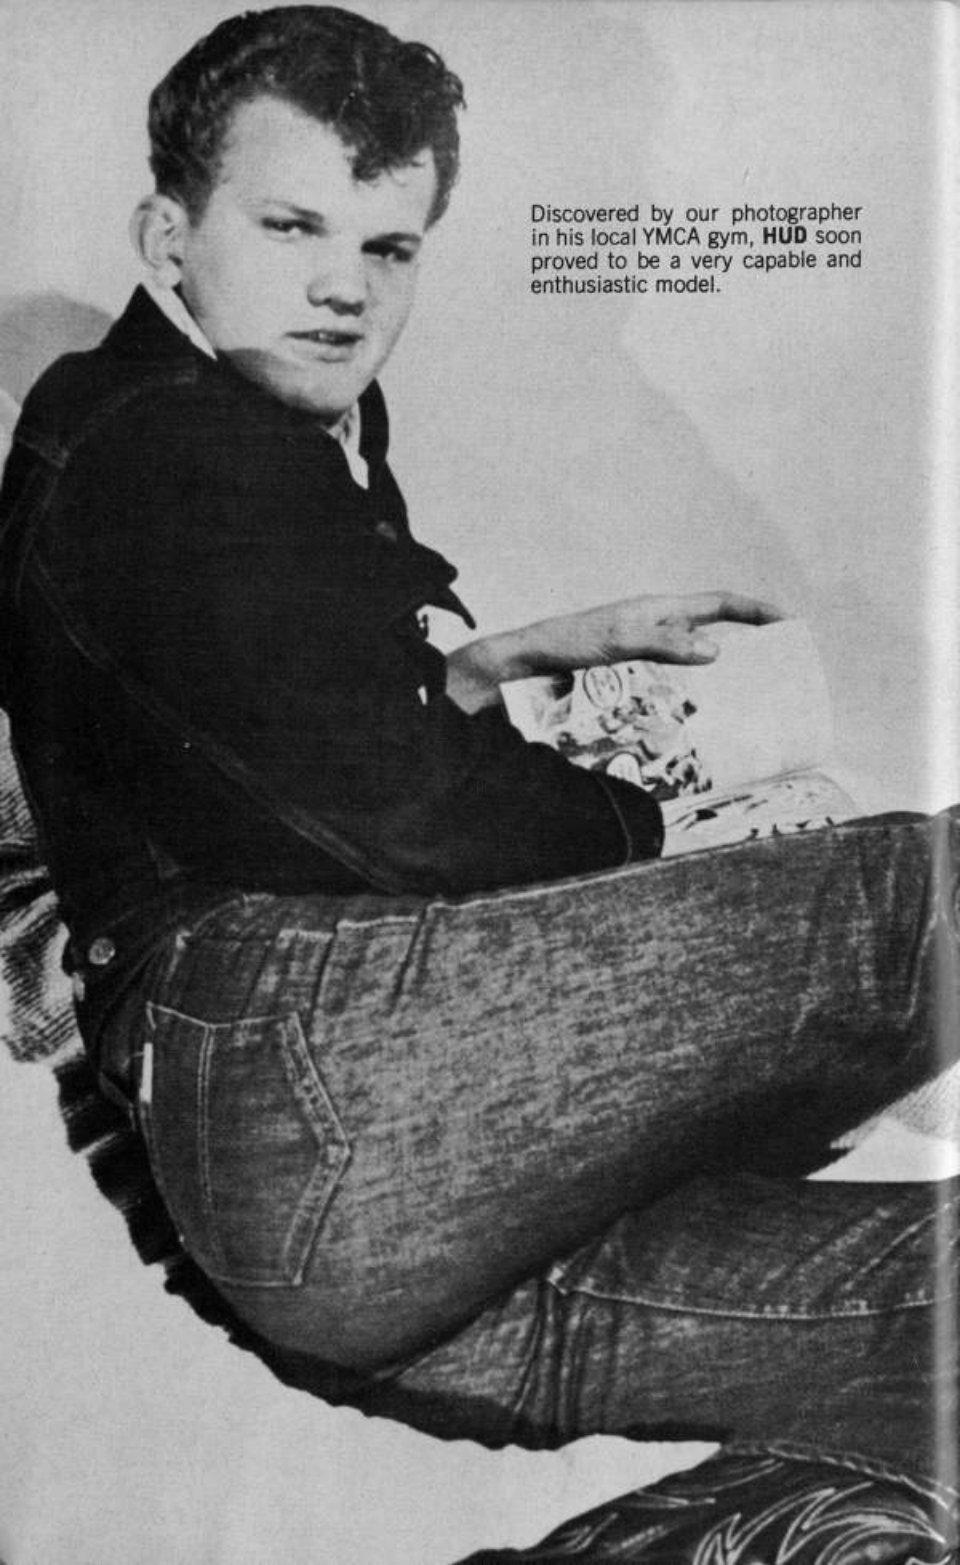

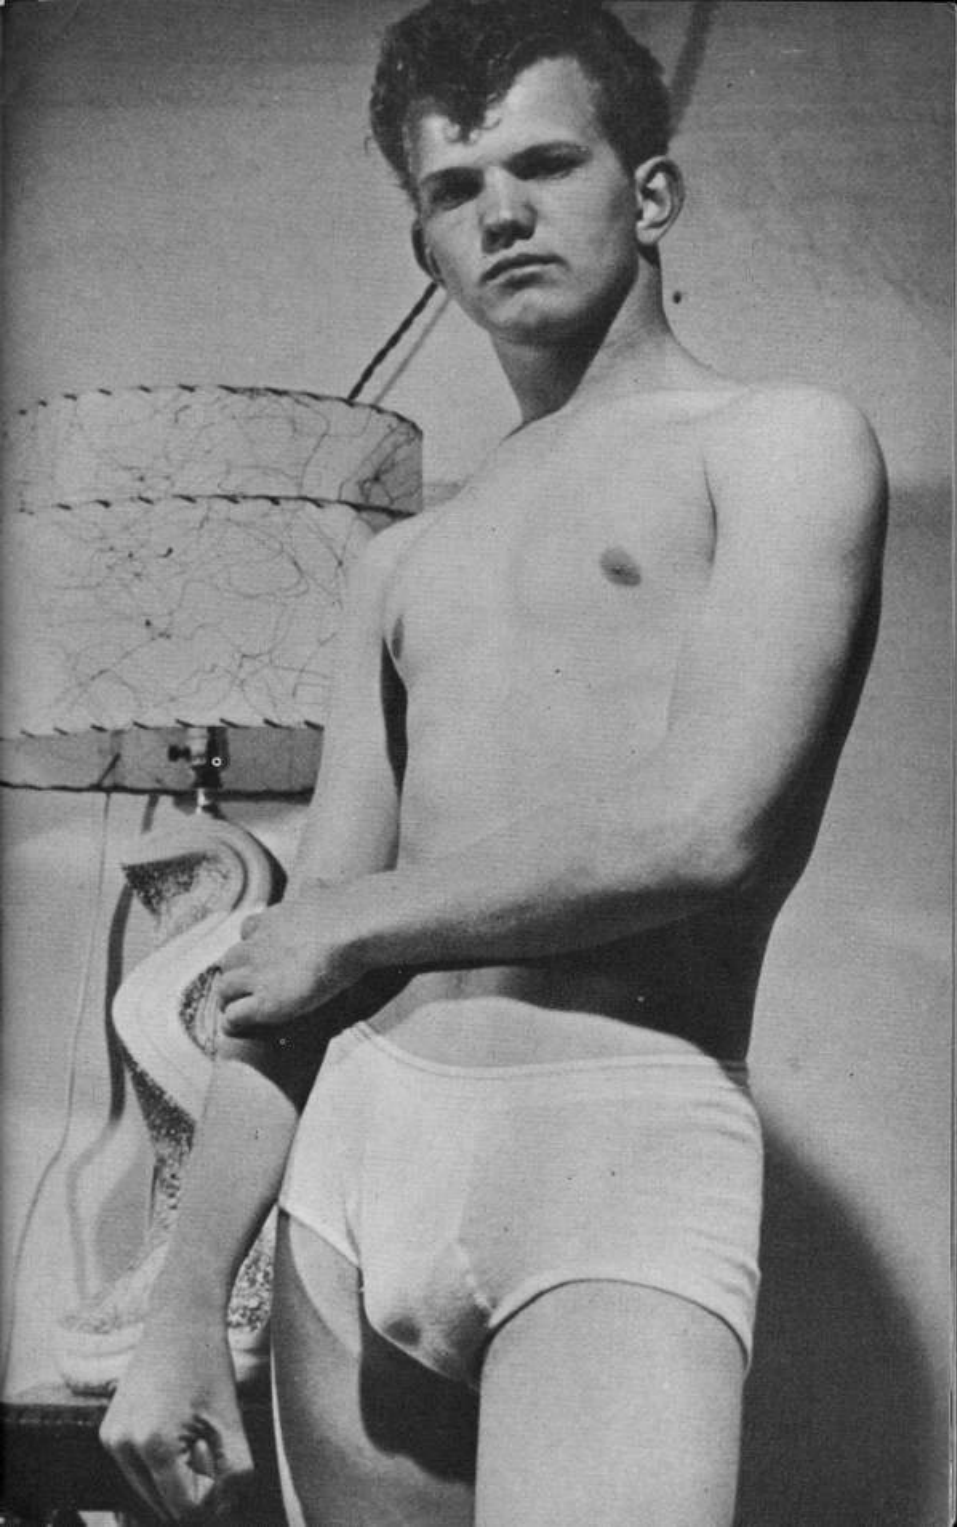

RALPH PFUNDSTEIN

has spent much time and energy in developing his fabulous frame. His popularity is growing by leaps and bounds.

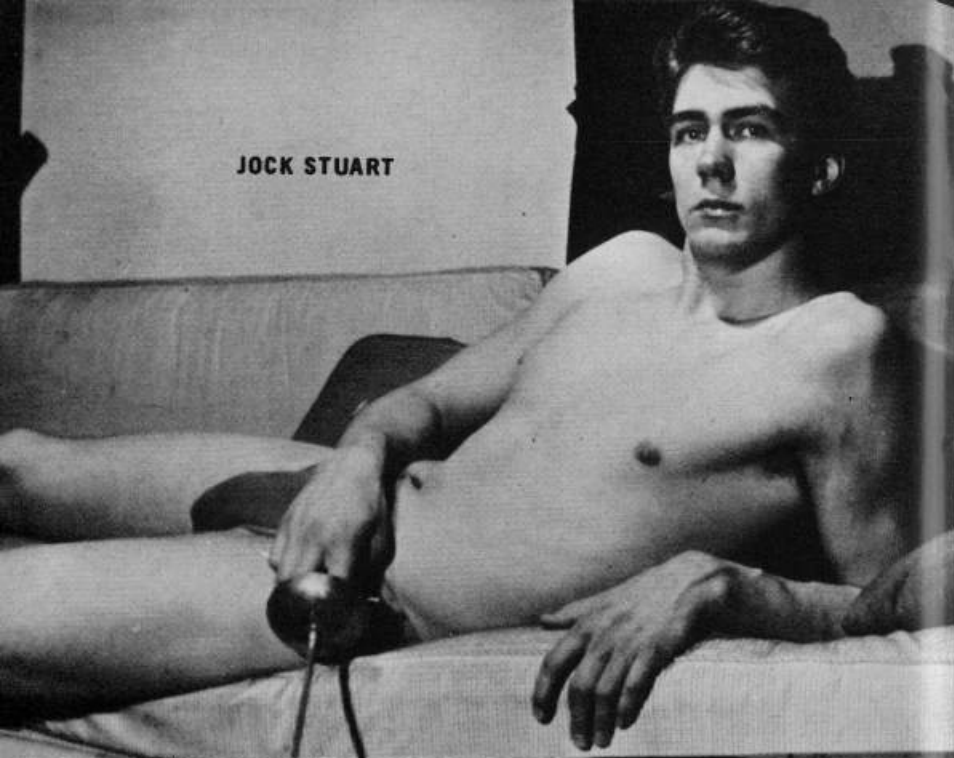

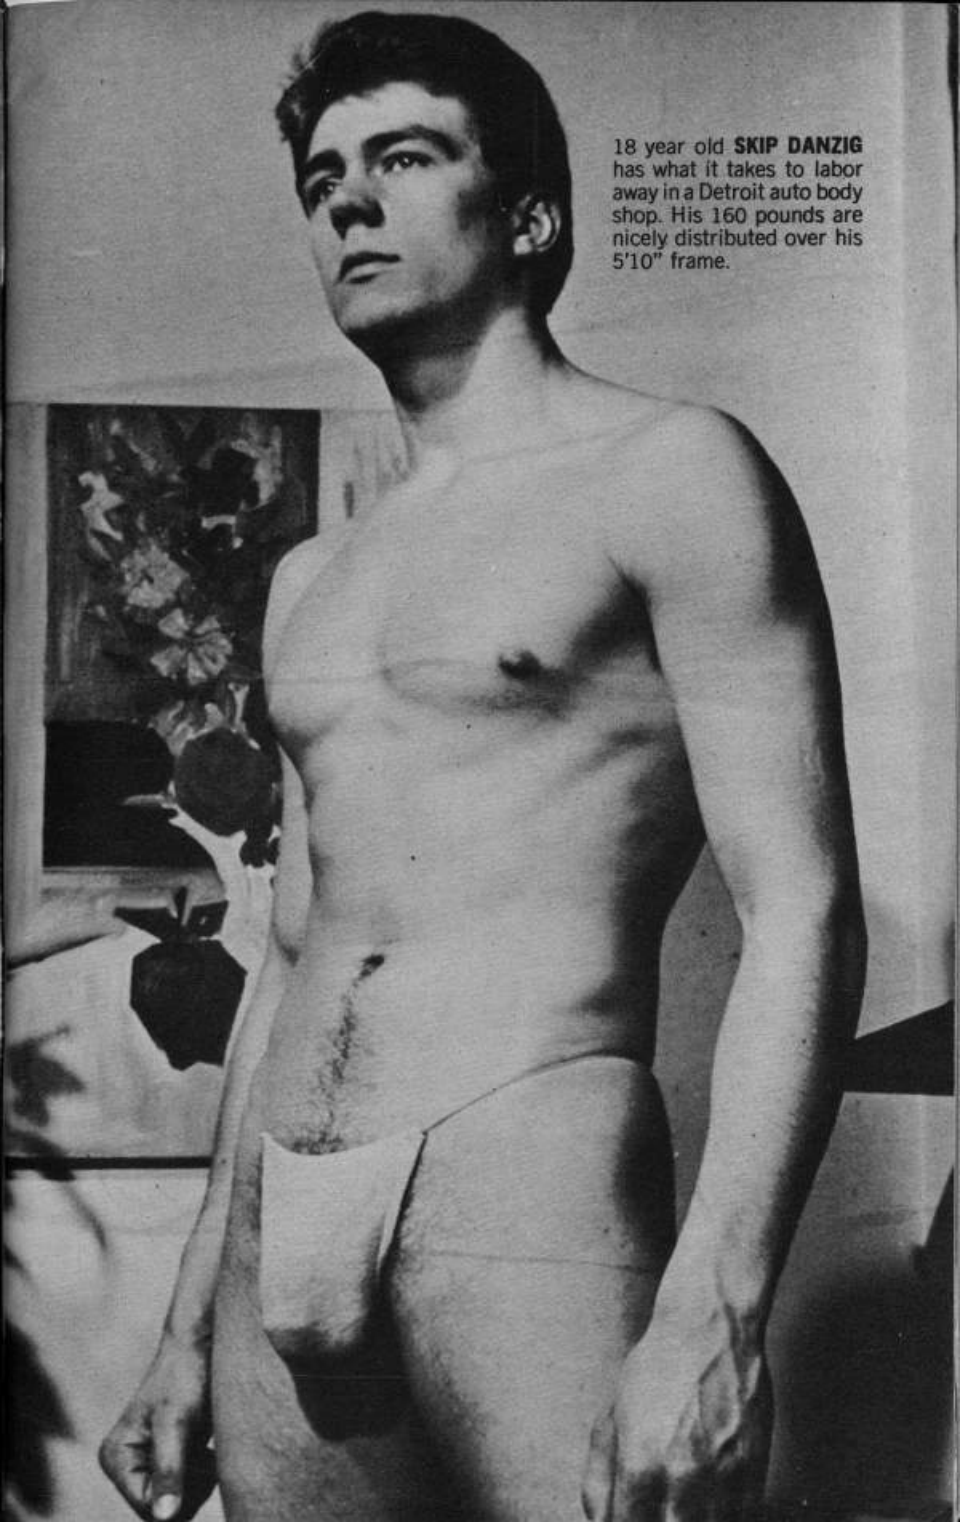

Discovered by our photographer in his local YMCA gym, **HUD** soon proved to be a very capable and enthusiastic model.

JOCK STUART

18 year old **SKIP DANZIG**
has what it takes to labor
away in a Detroit auto body
shop. His 160 pounds are
nicely distributed over his
5'10" frame.

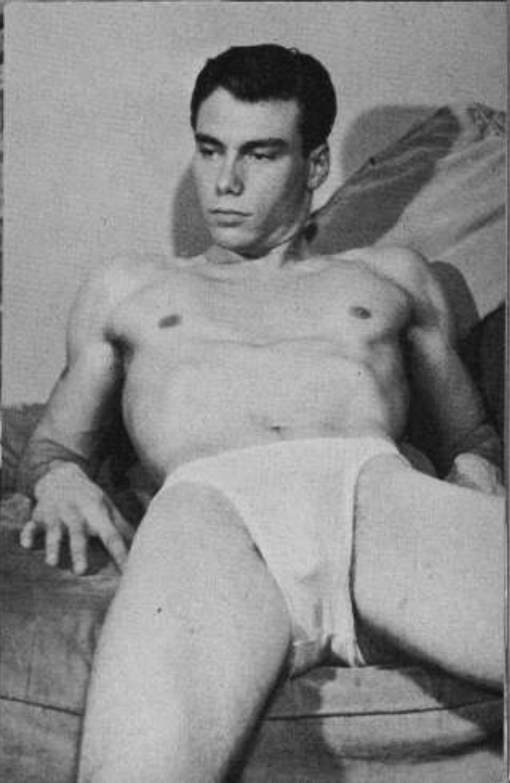

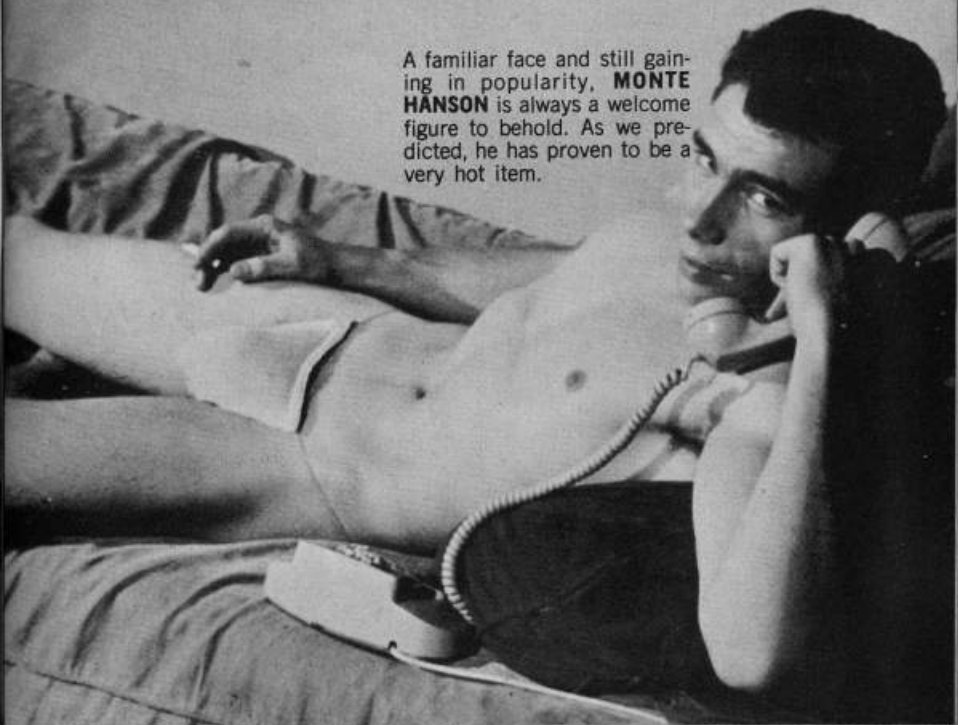

A rugged handsomeness is a great asset and **JOCK STUART** can certainly lay claim to this fact. His rise to fame is proving to be a rapid one.

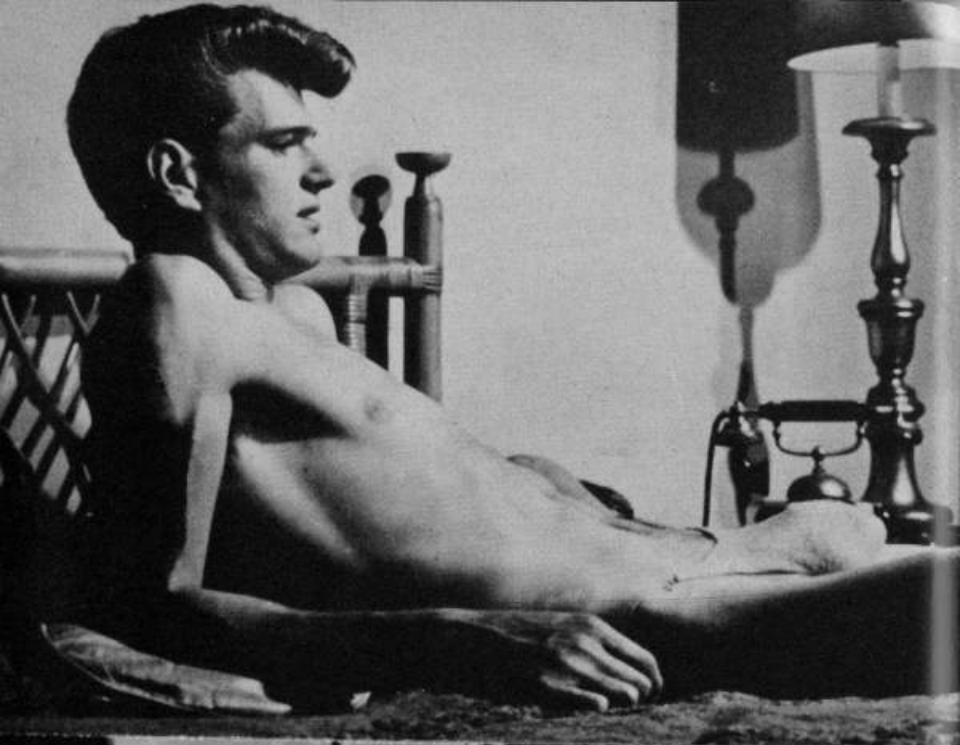

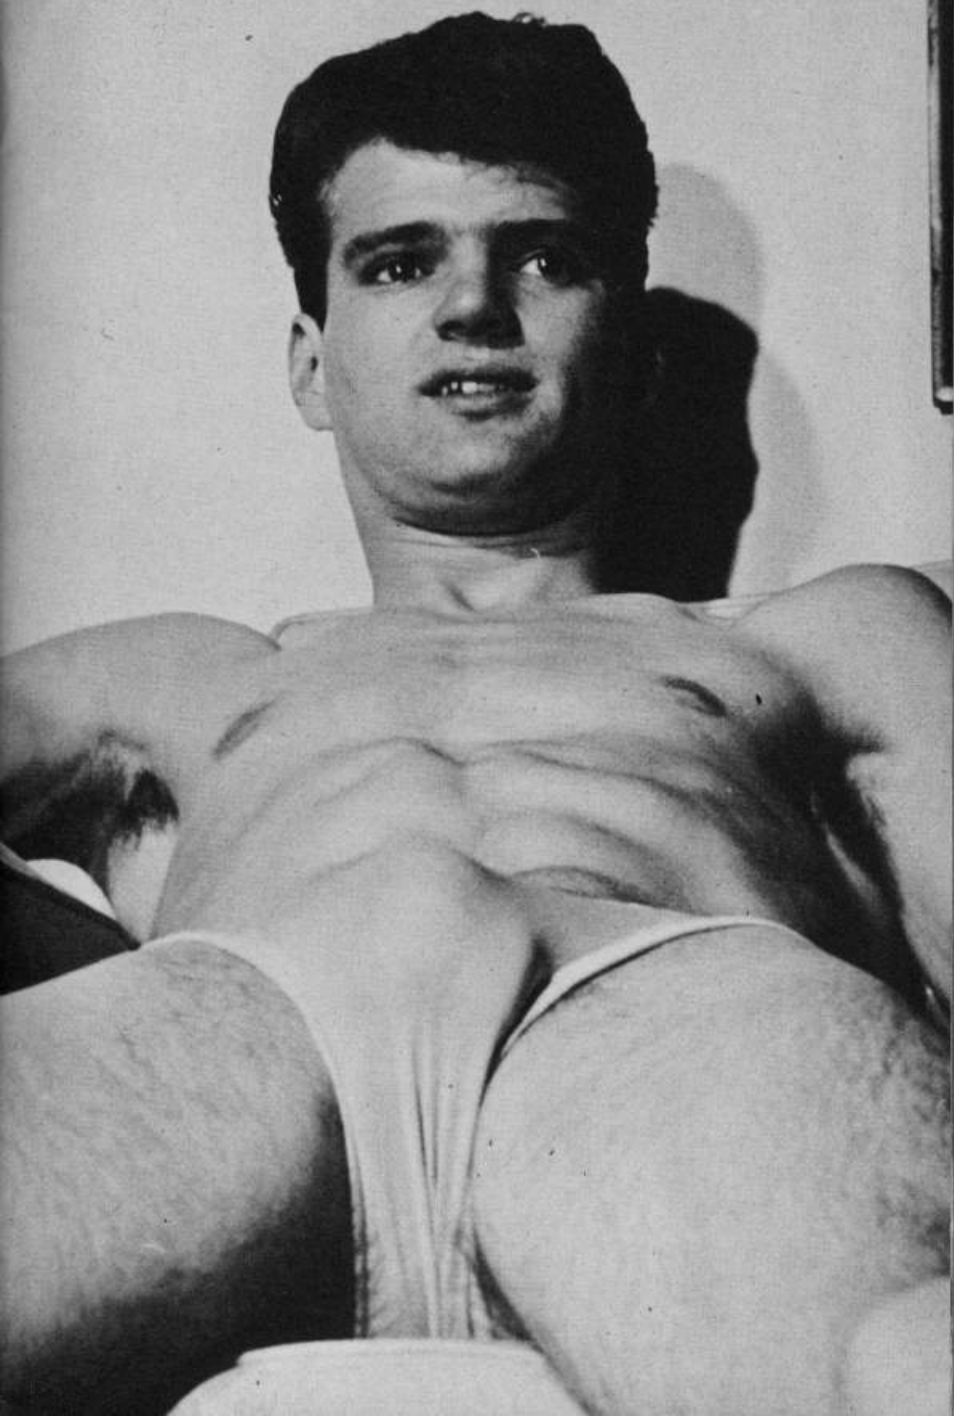

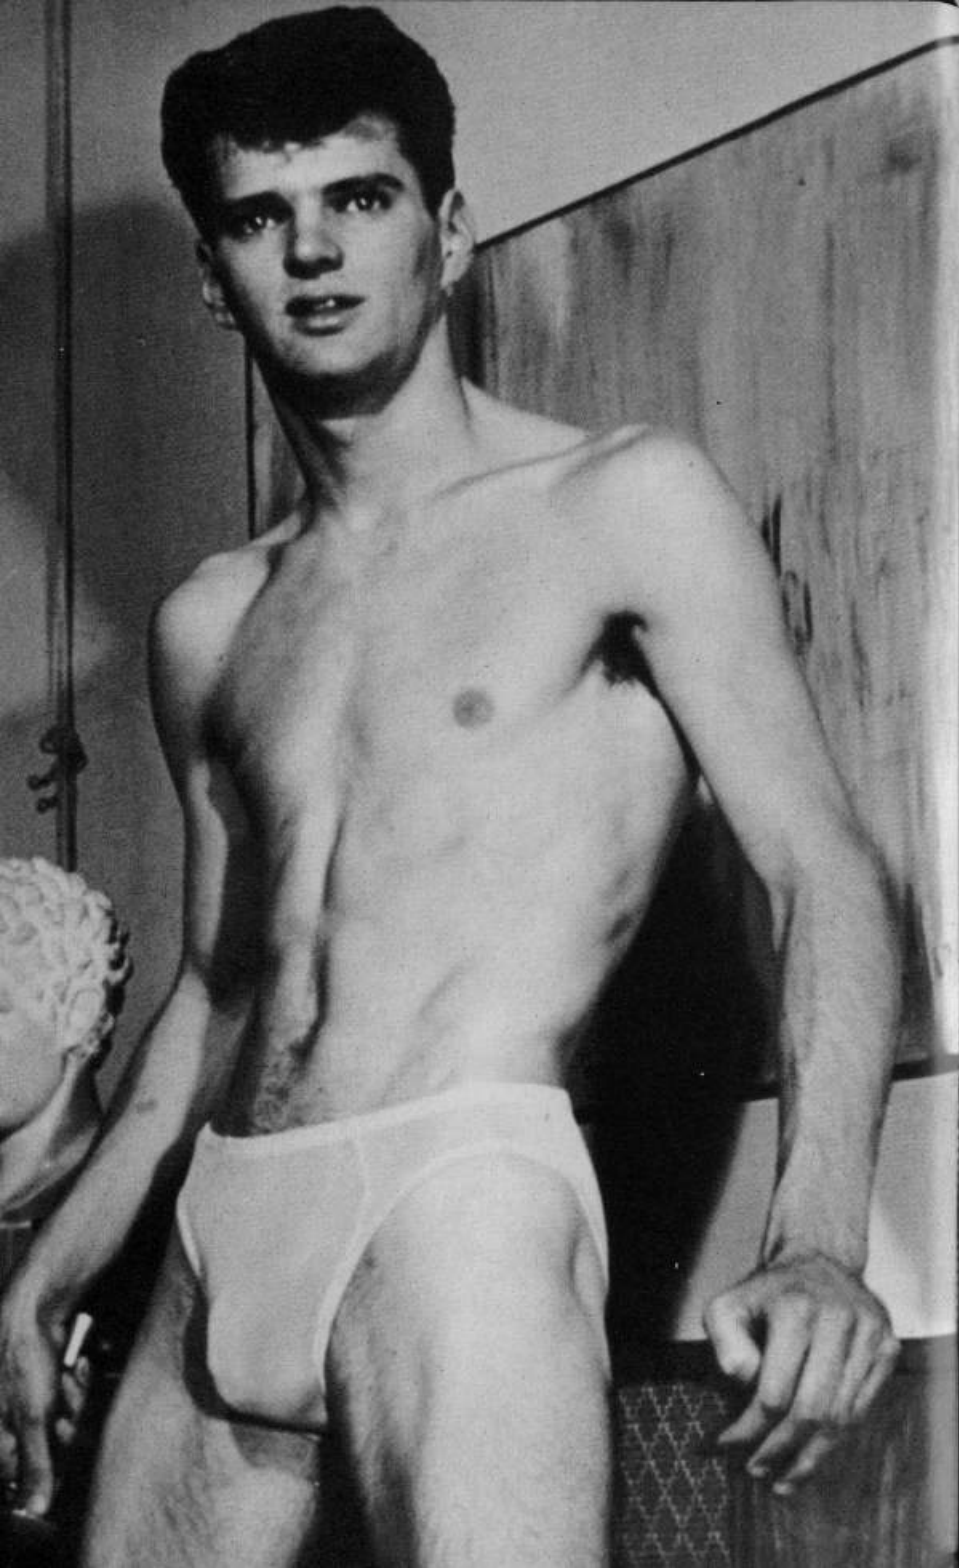

A familiar face and still gaining in popularity, **MONTÉ HANSON** is always a welcome figure to behold. As we predicted, he has proven to be a very hot item.

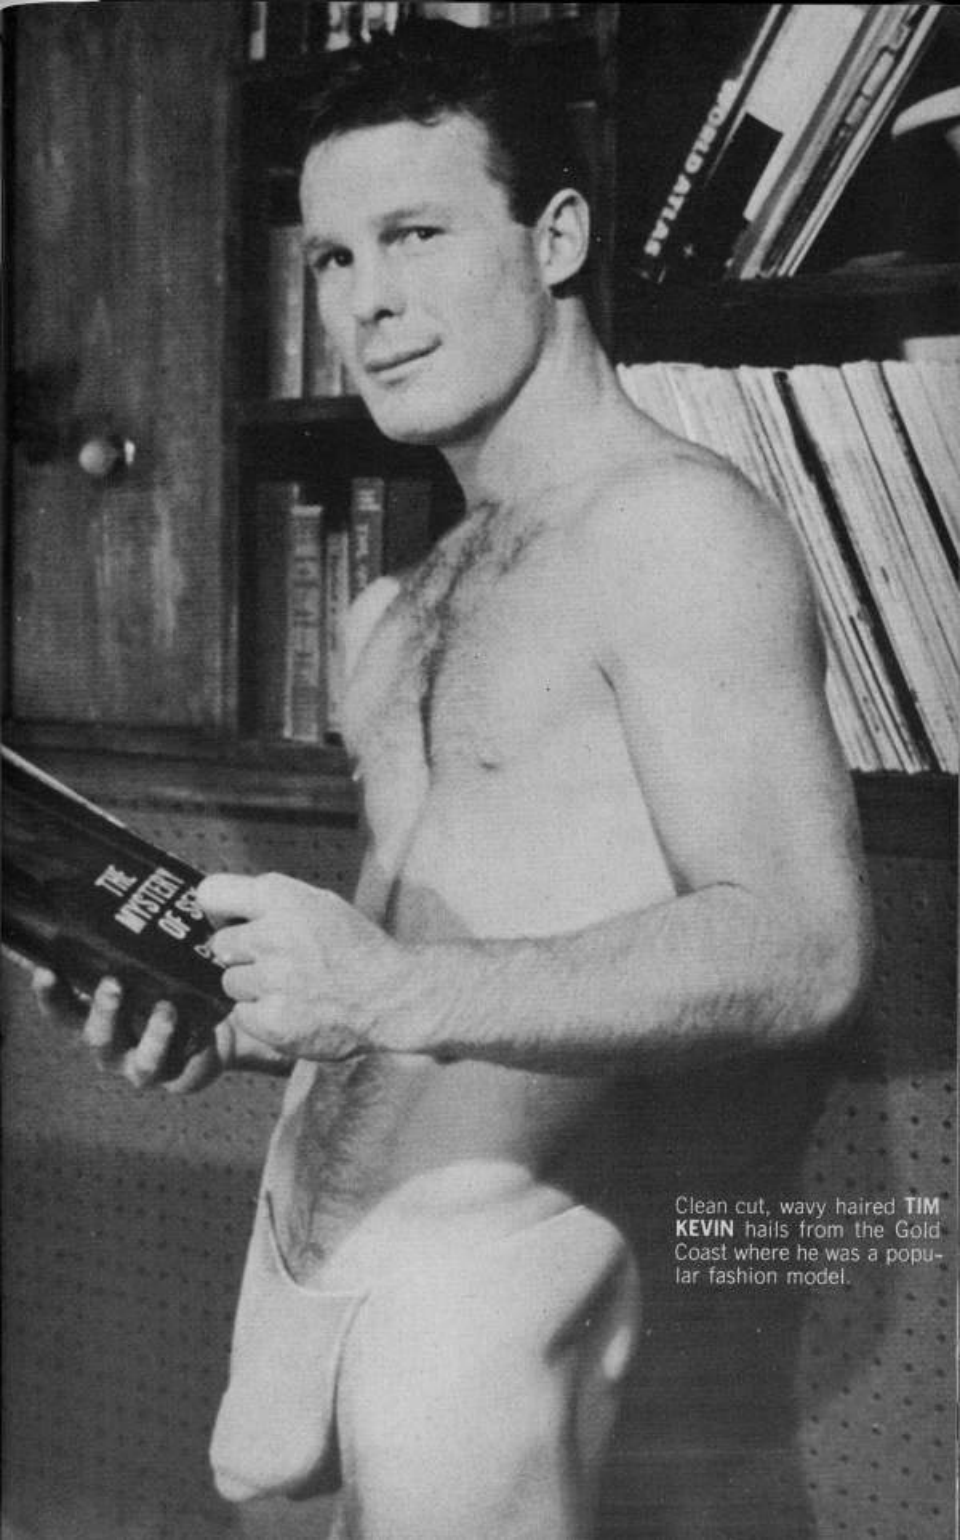

At play or at rest, **JOE WILD** is the best! His trim 150 lb. figure is destined for greatness in the field of physique photography.

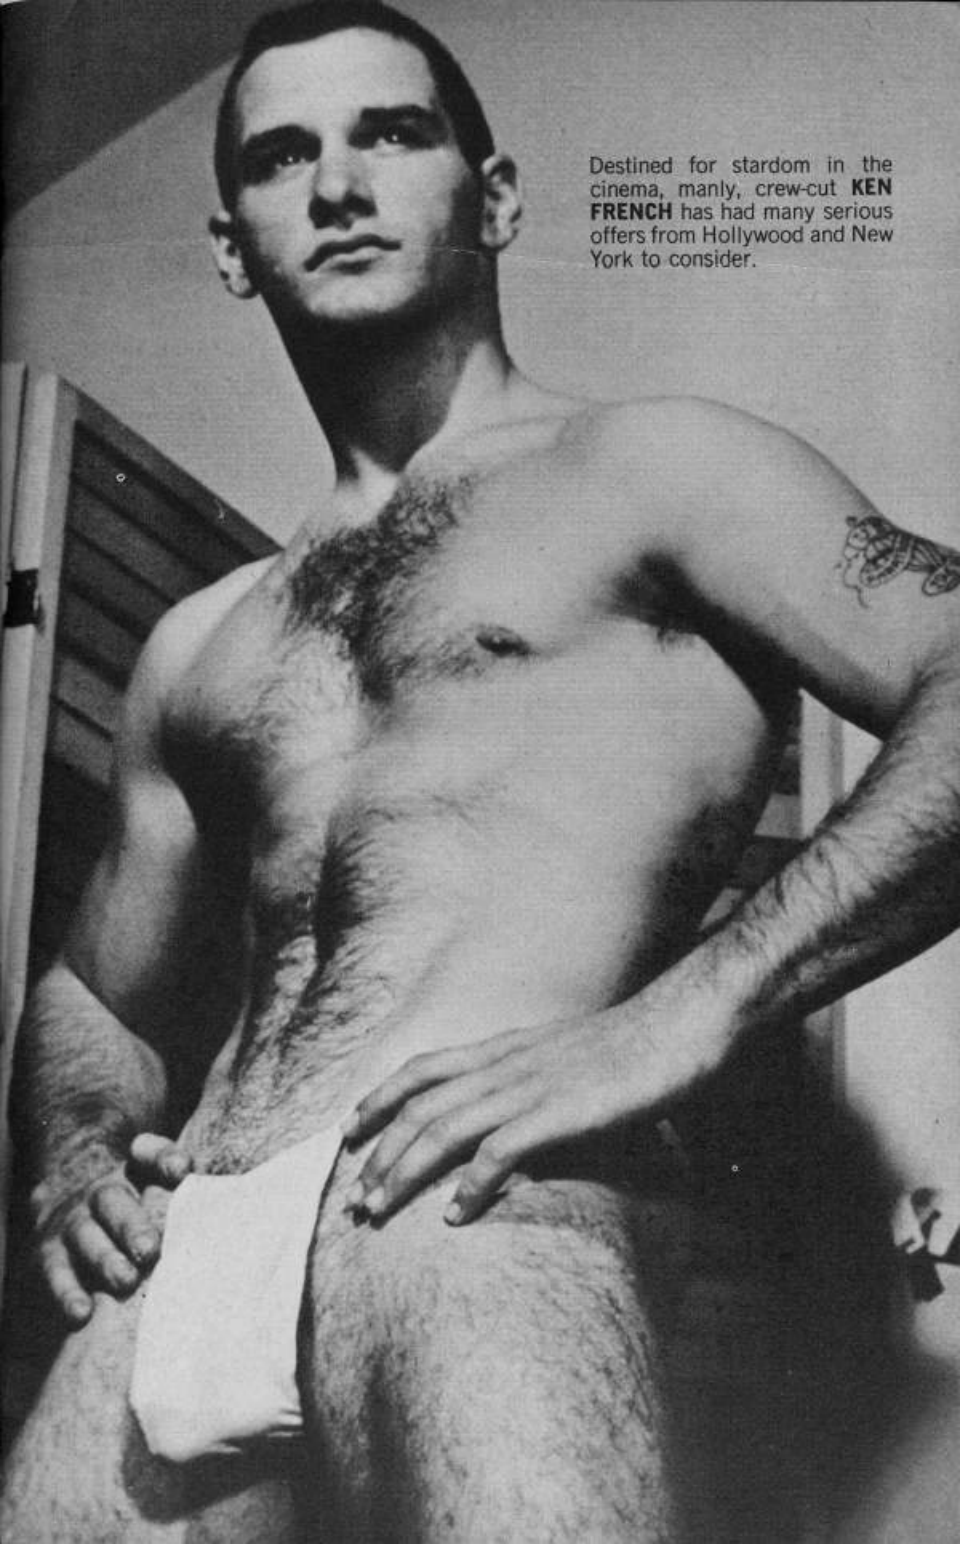

Clean cut, wavy haired **TIM KEVIN** hails from the Gold Coast where he was a popular fashion model.

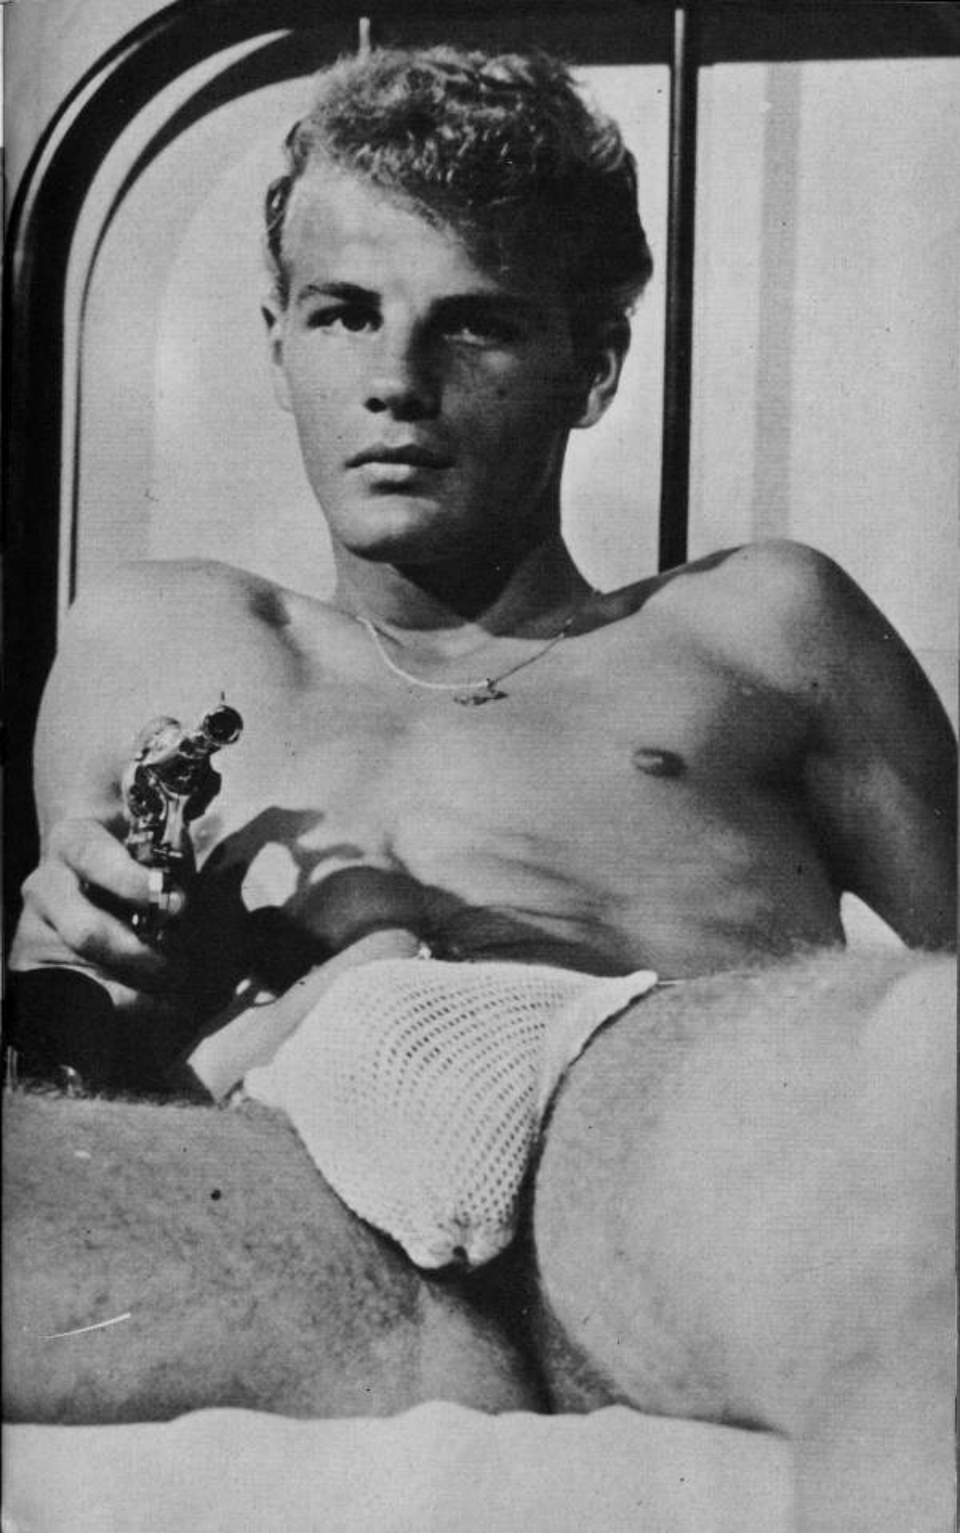

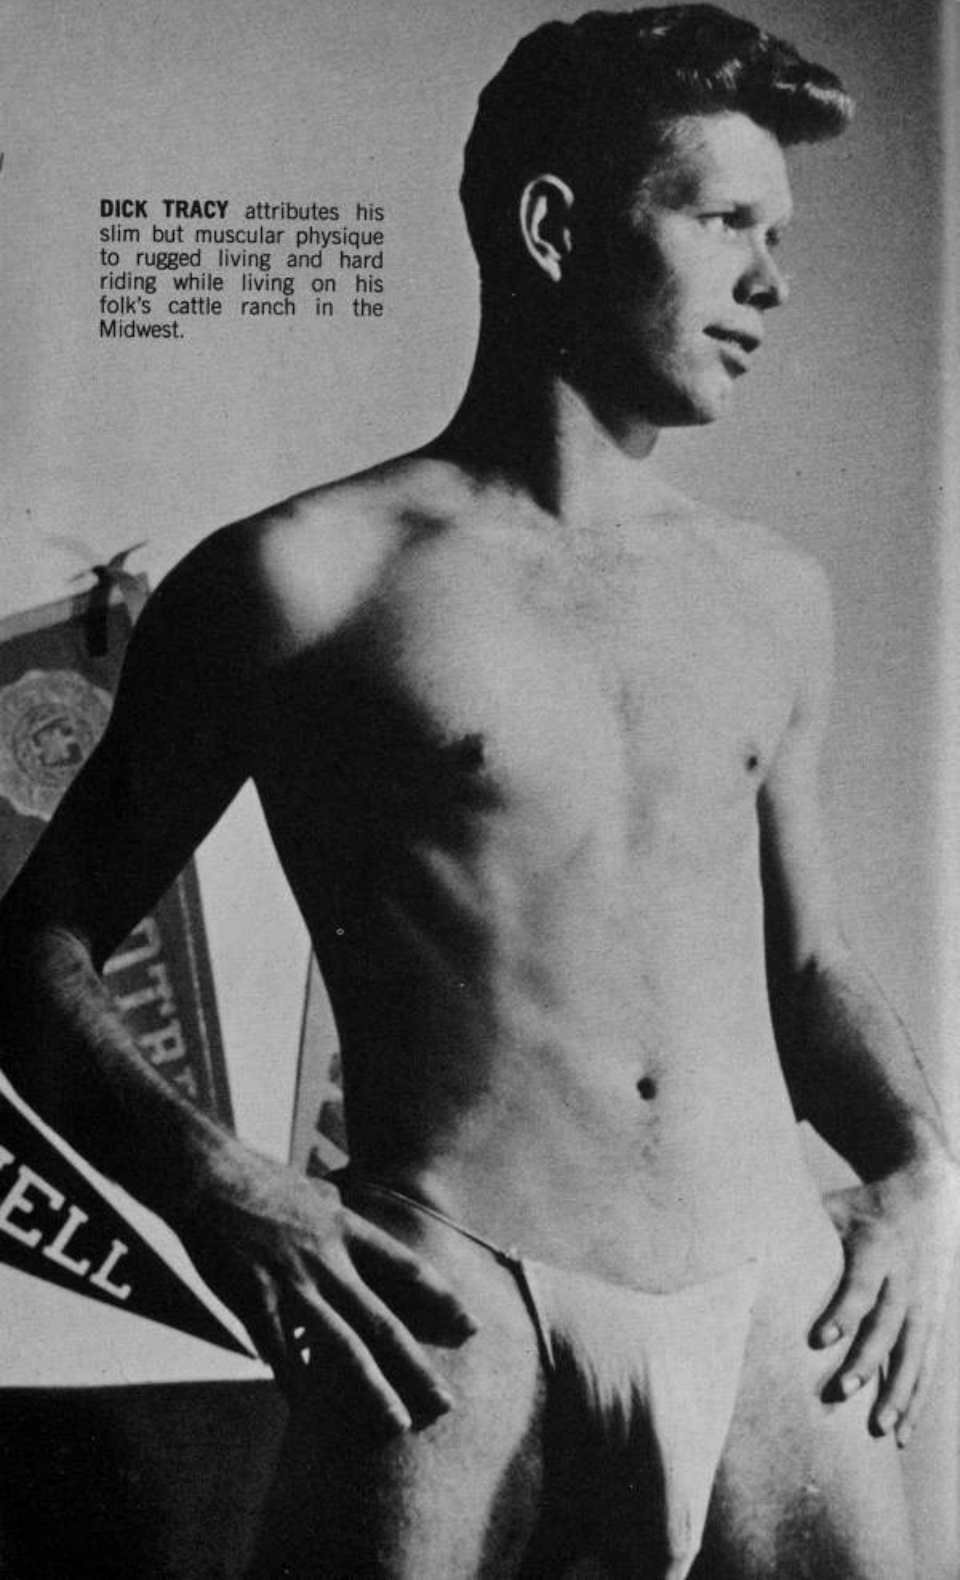

Destined for stardom in the cinema, manly, crew-cut **KEN FRENCH** has had many serious offers from Hollywood and New York to consider.

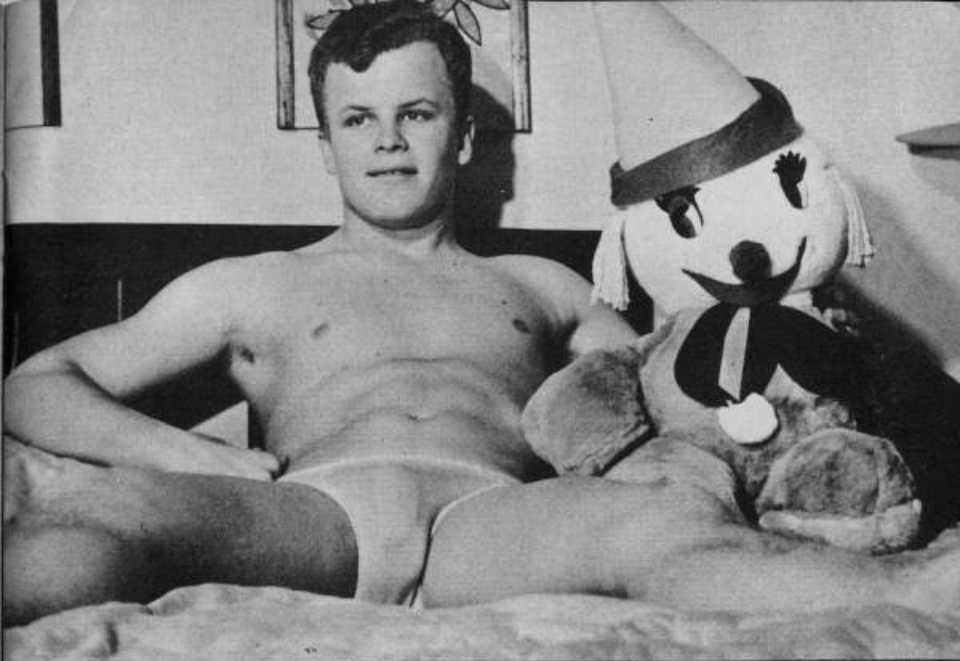

The wide open spaces of Wyoming have given **DUANE NOLAN** plenty of room to practice his quick draw and straight shooting.

DICK TRACY attributes his slim but muscular physique to rugged living and hard riding while living on his folk's cattle ranch in the Midwest.

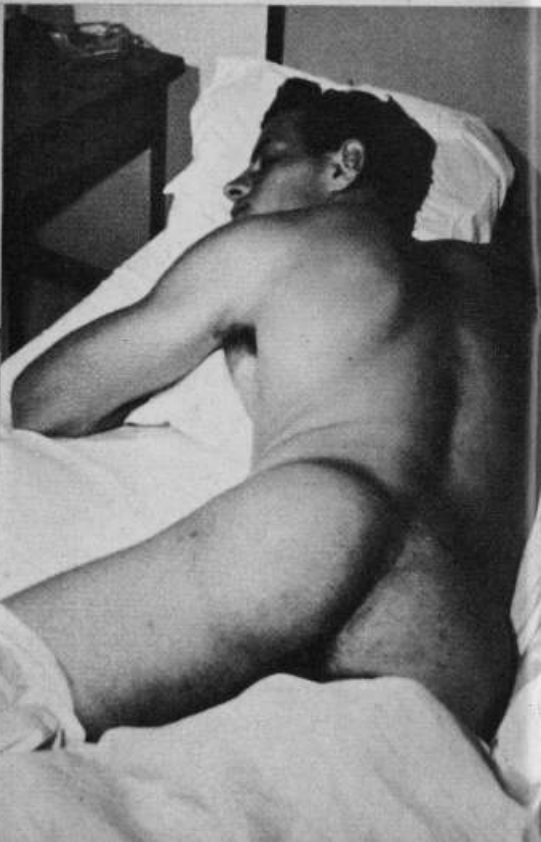

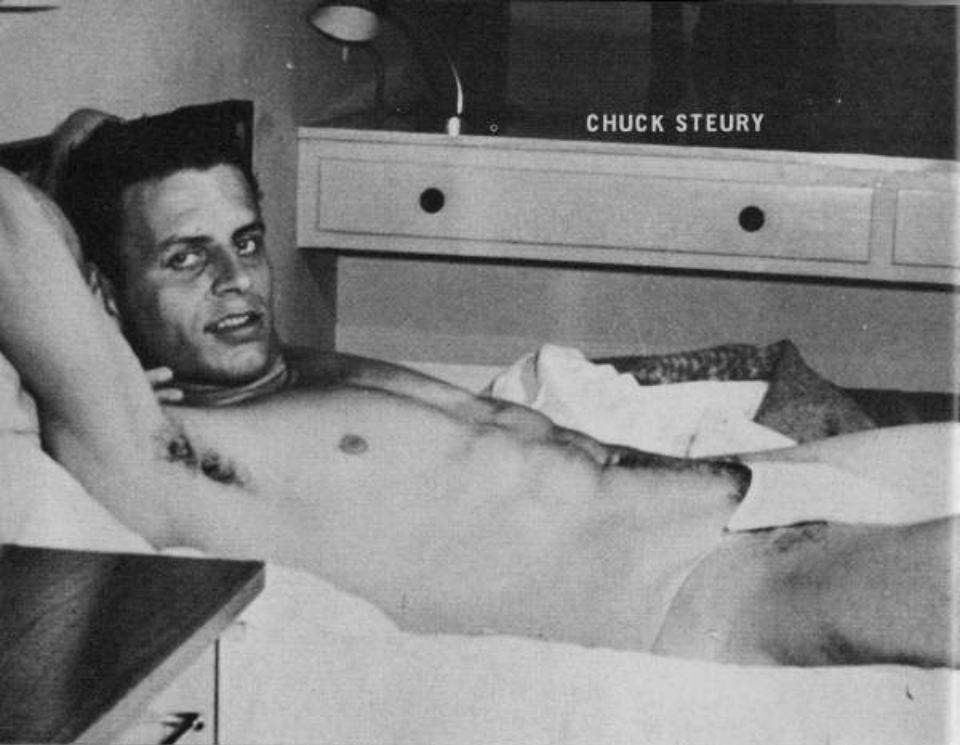

KEN ROYE

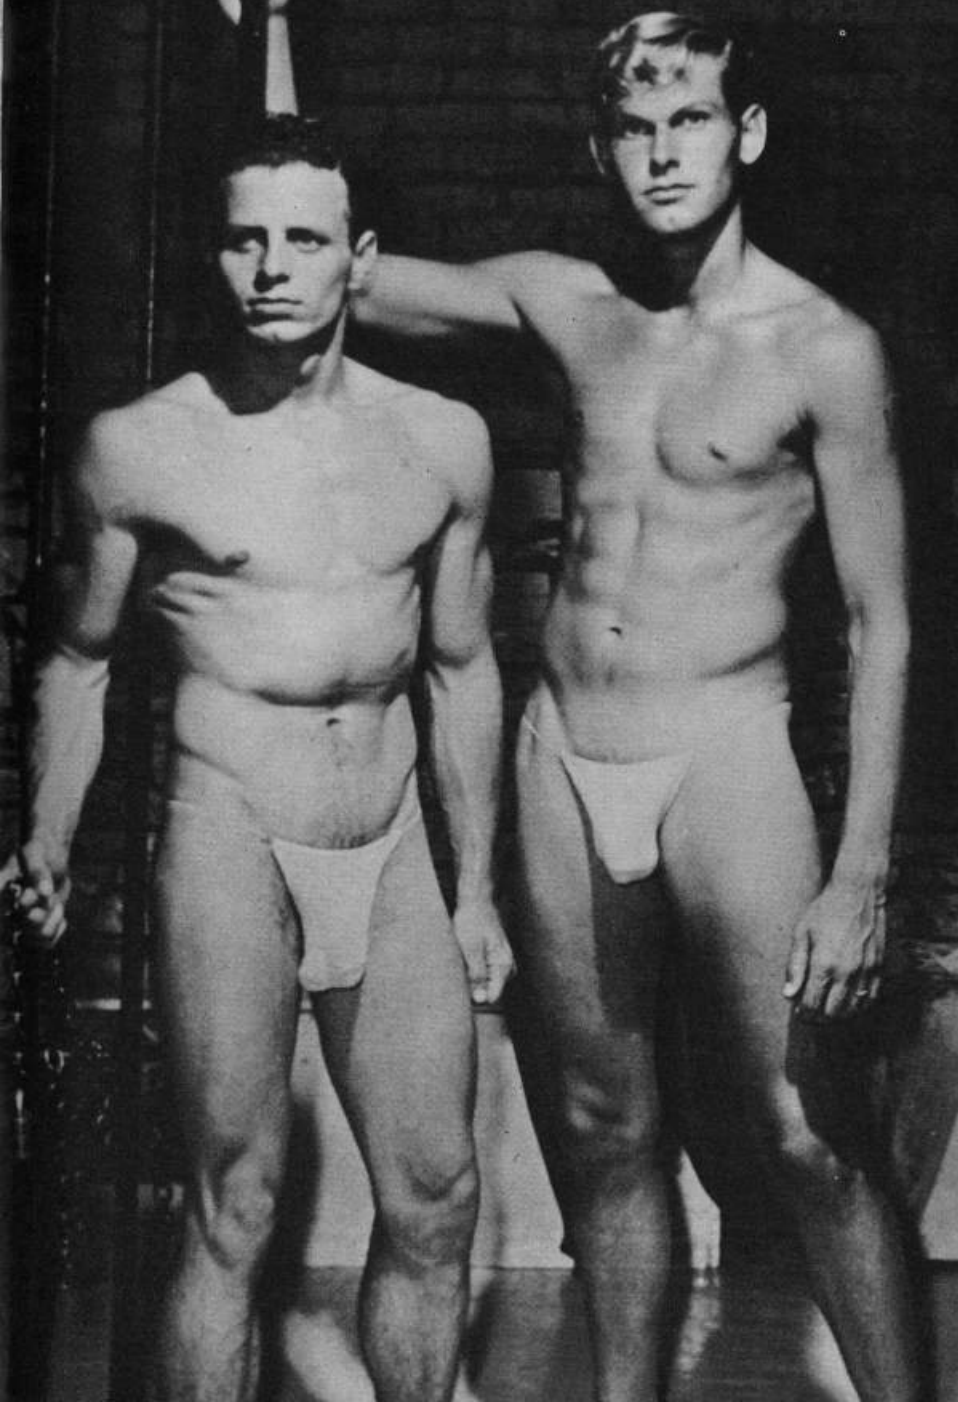

A familiar and always welcome figure on these pages, **KEN ROYE** has proved that continuous workouts will develop all the most important muscles in the right places.

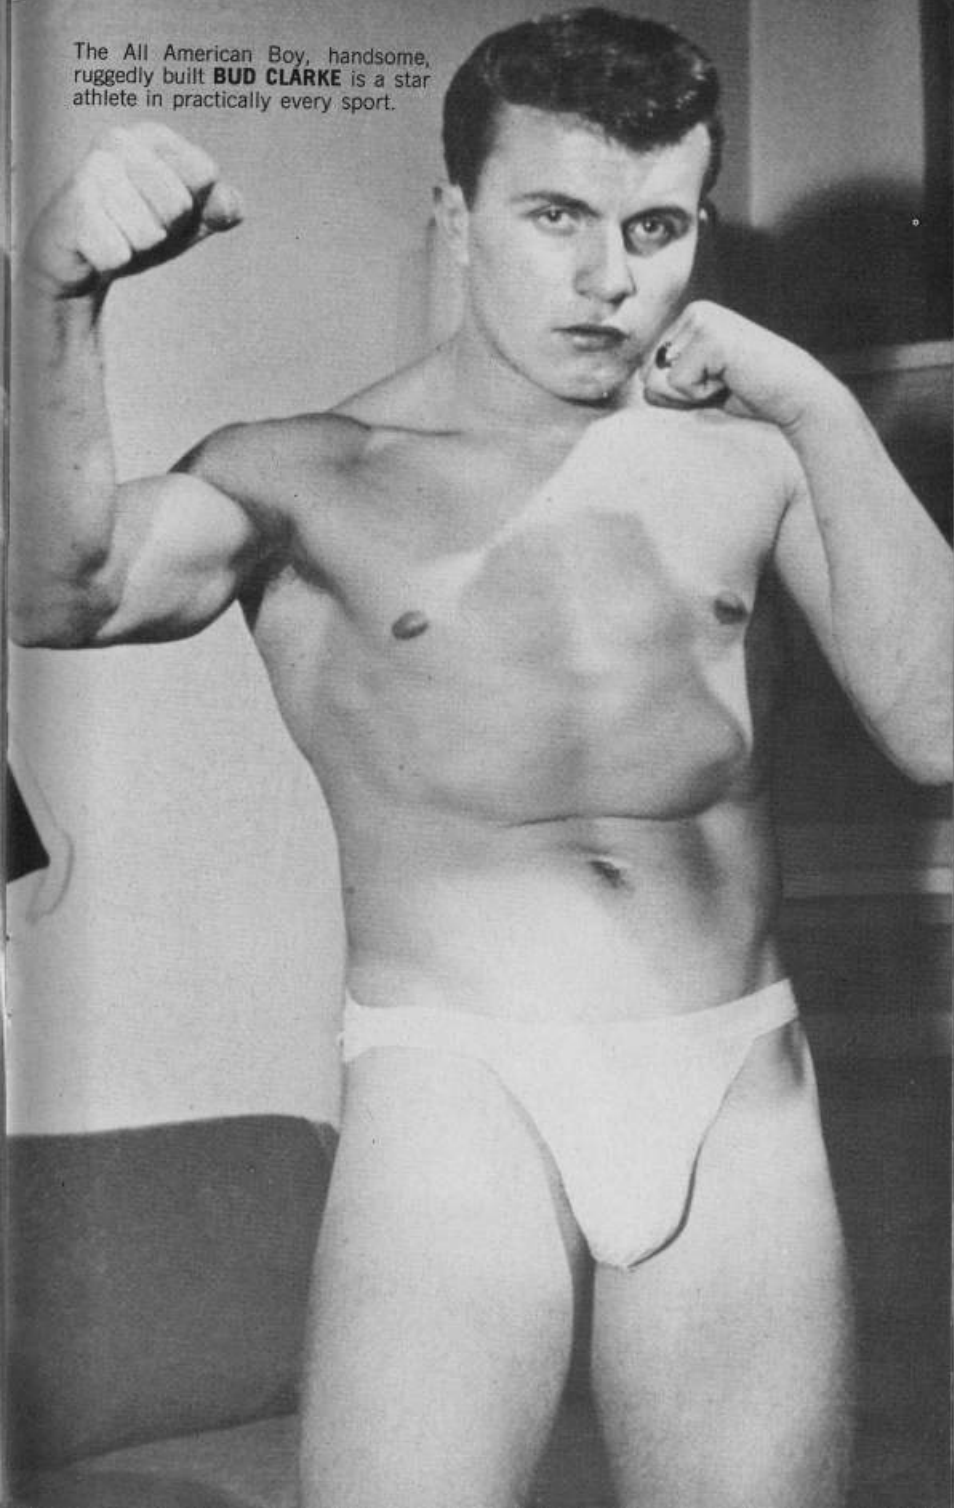

CHUCK STEURY joins **ERNIE MATHEWS** in a rough and tumble dual to while away the confining hours in a small Western town jailhouse.

With pleasing personality and fine physique, **BILL STACK** is rapidly gaining friends on his cross-country trips rolling the BIG trucks along the highways.

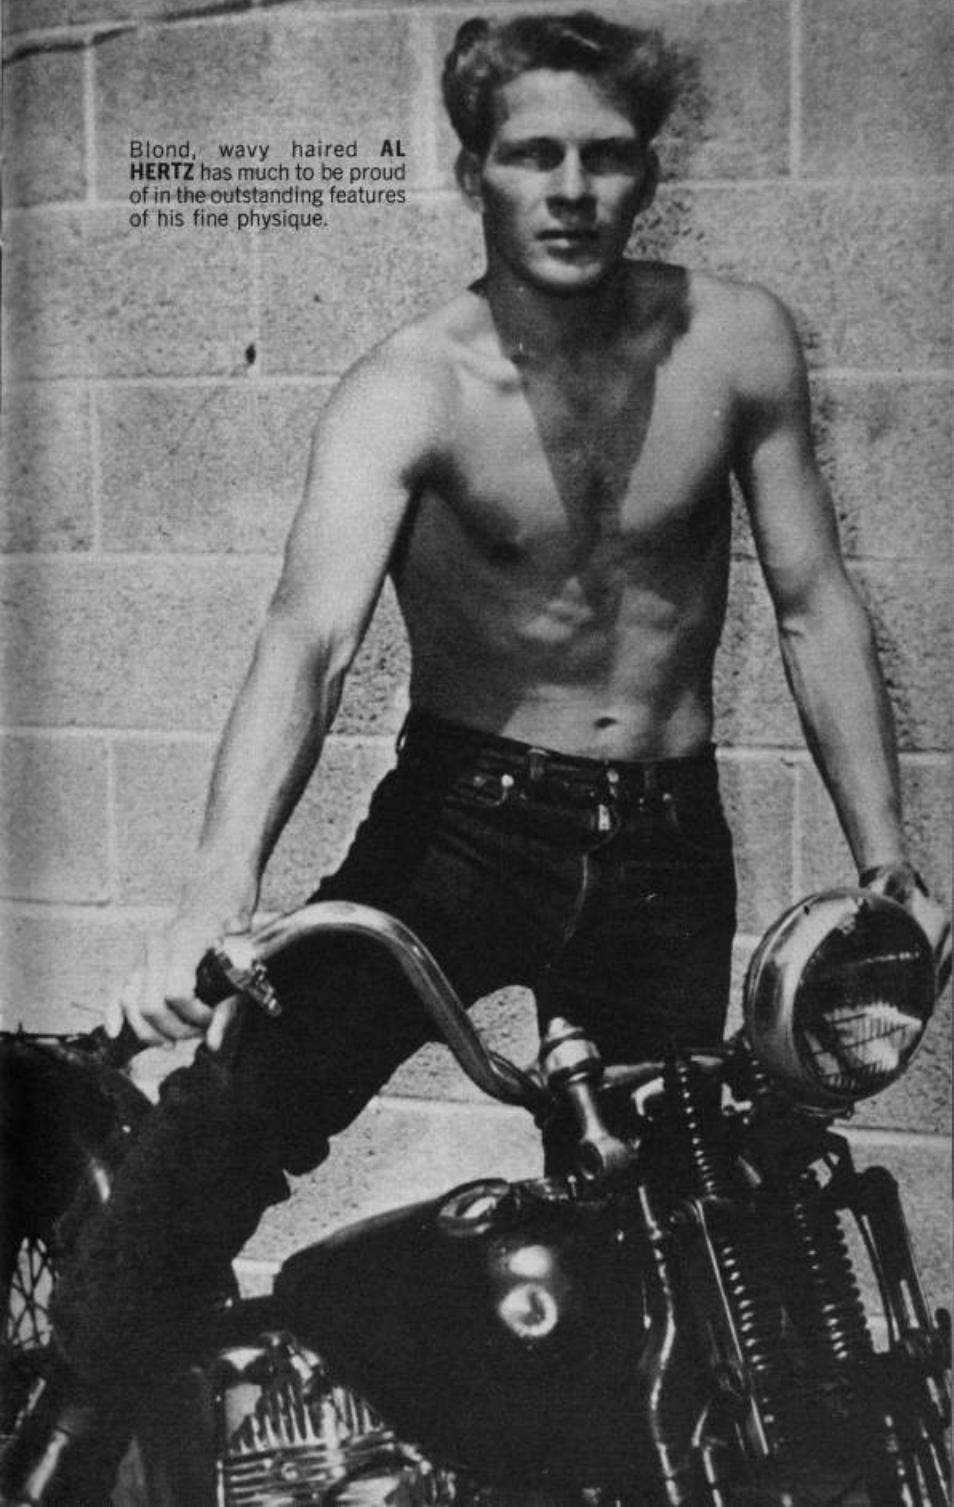

The All American Boy, handsome, ruggedly built **BUD CLARKE** is a star athlete in practically every sport.

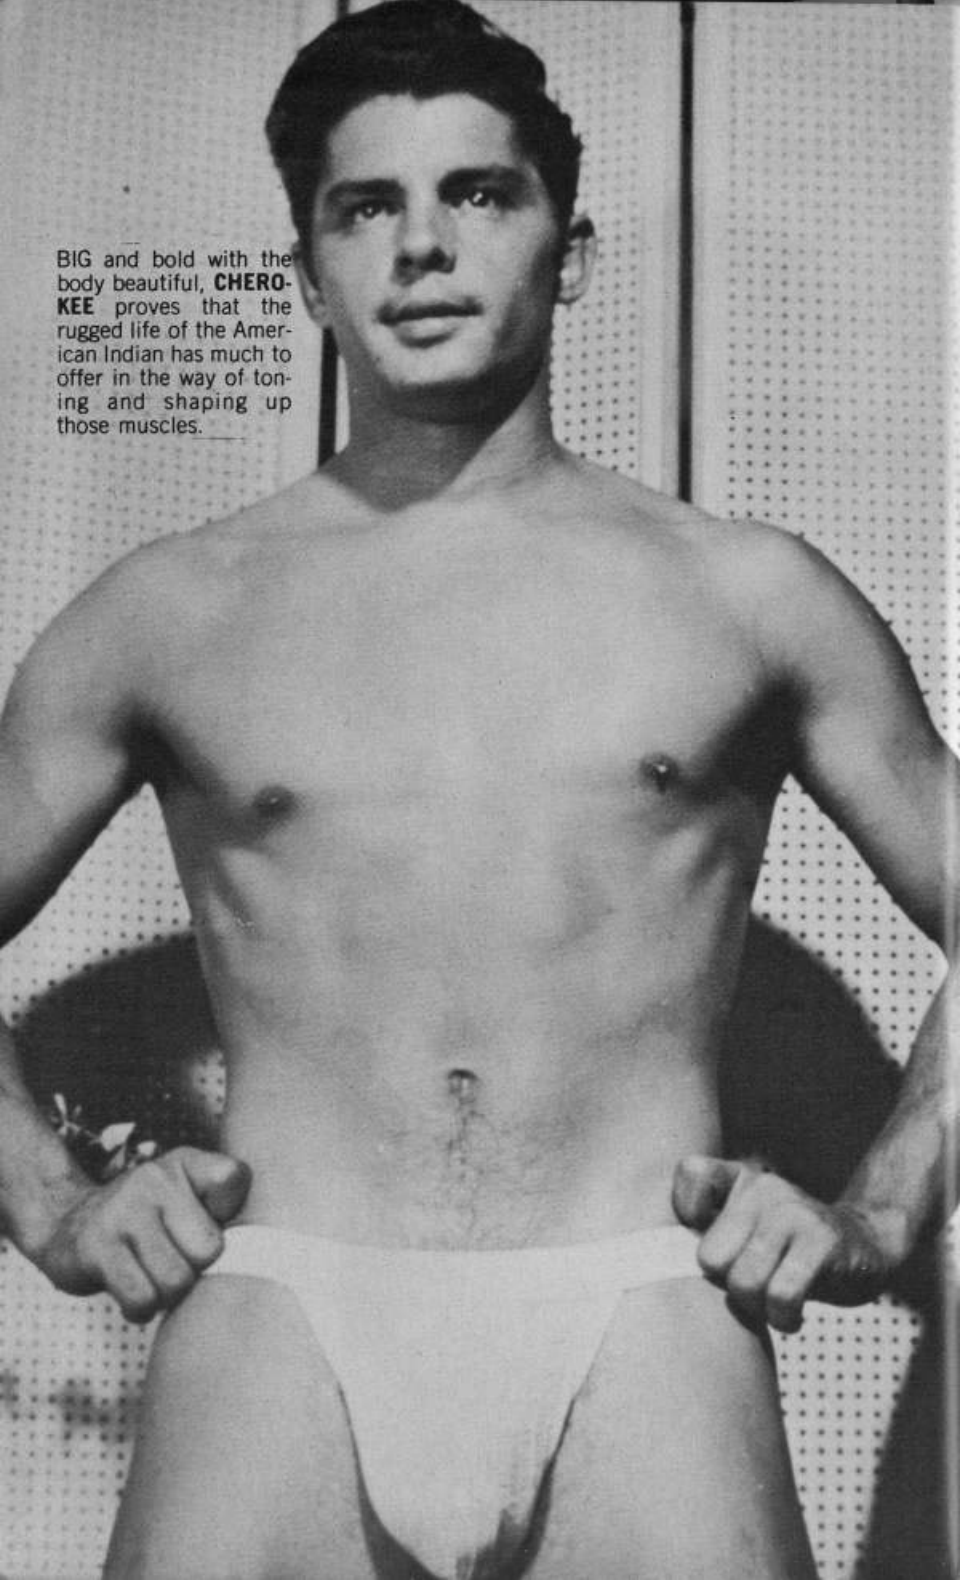

Inspired by his boyhood years near the sea, **BOBBY JO** has become very skillful in handling the BIG boats.

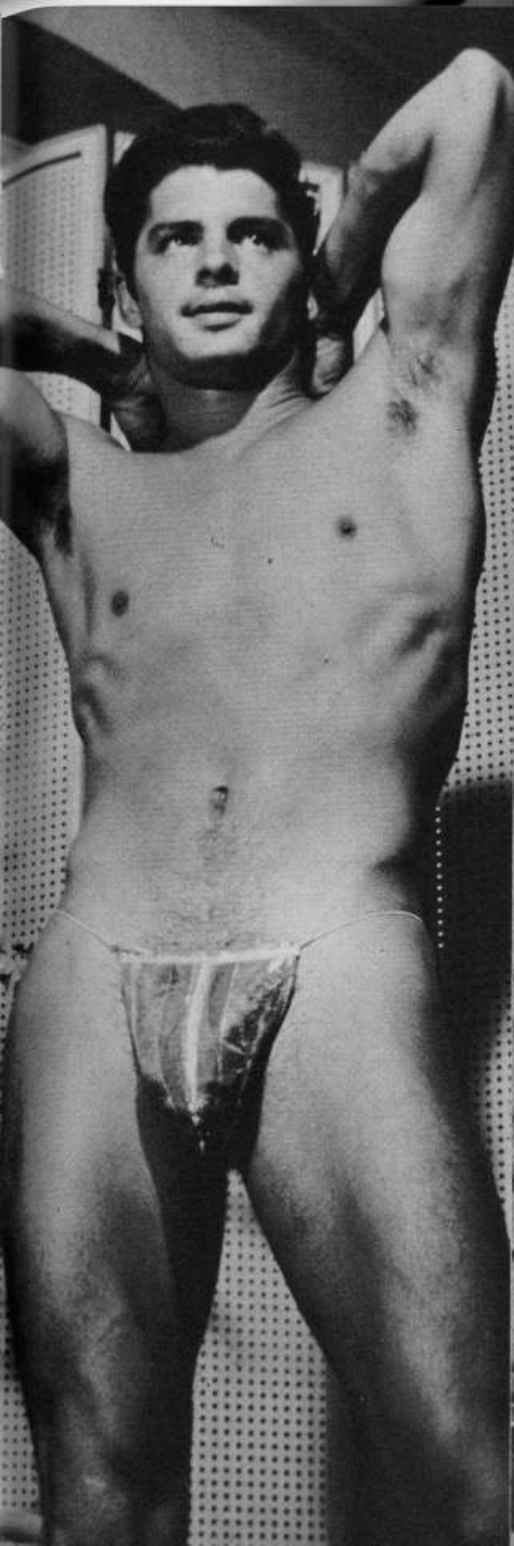

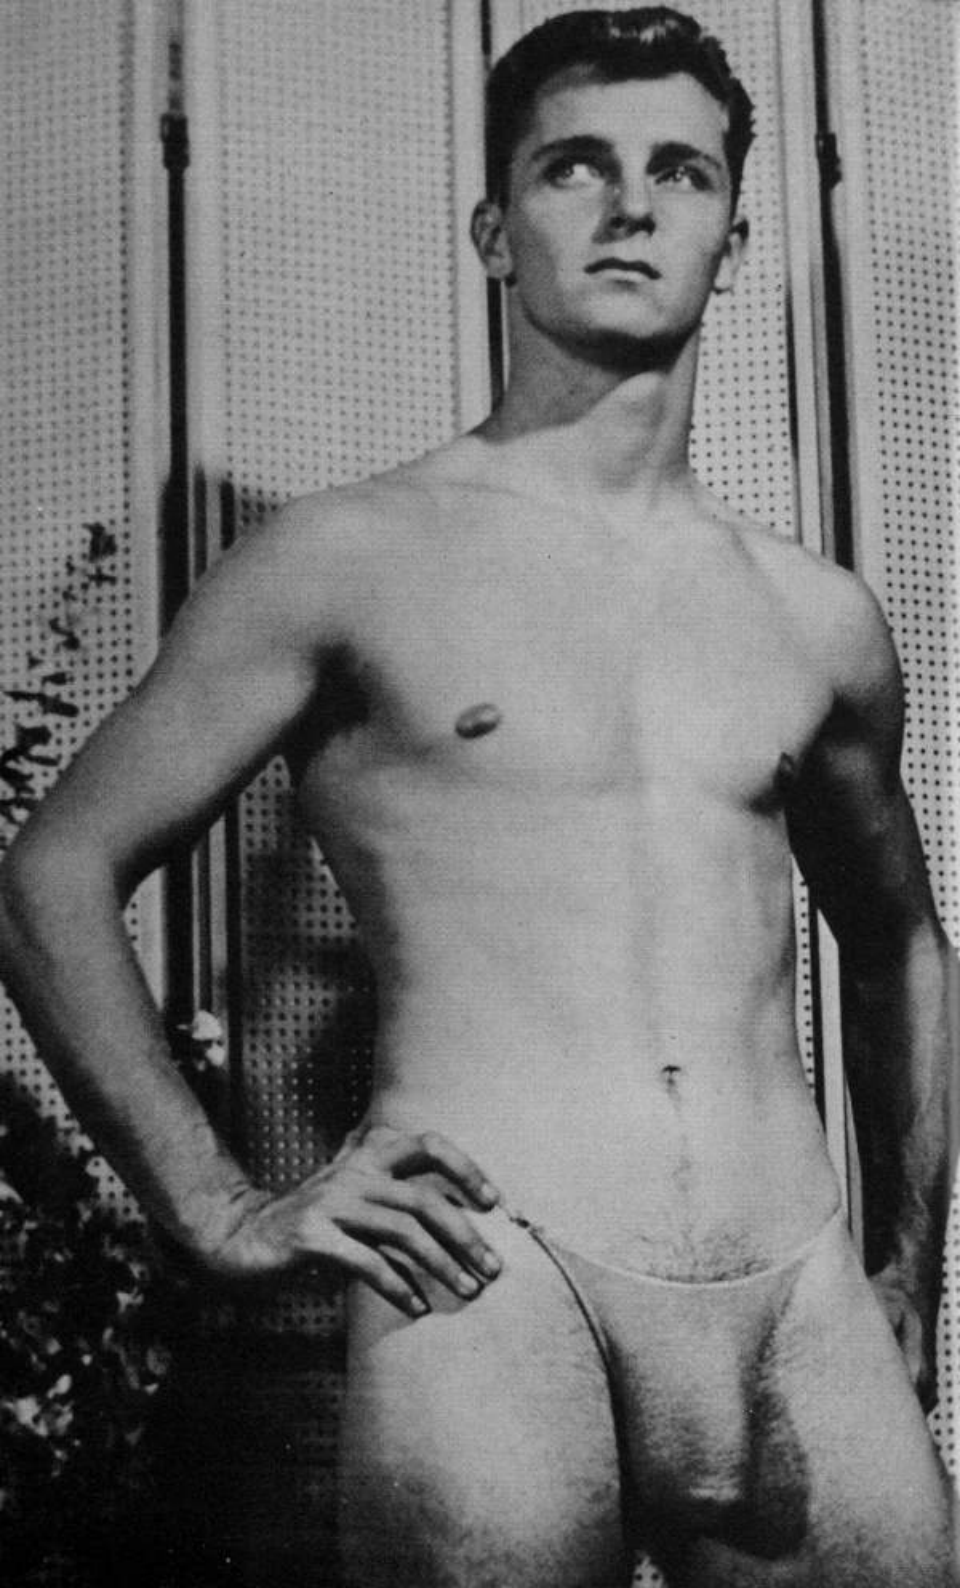

Blond, wavy haired **AL**
HERTZ has much to be proud
of in the outstanding features
of his fine physique.

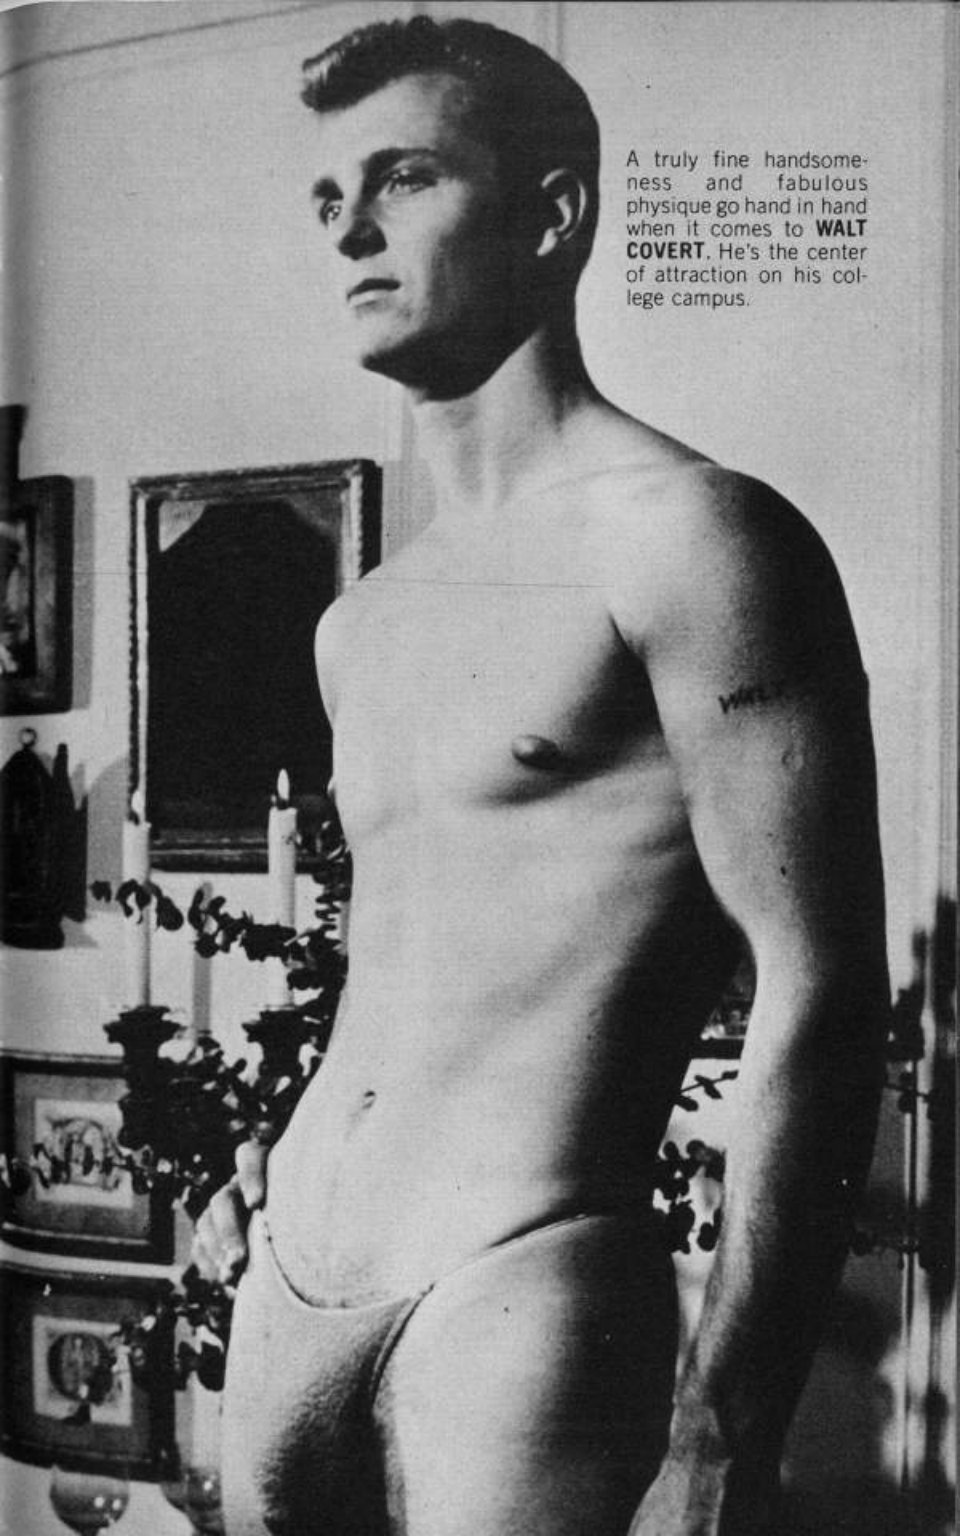

BIG and bold with the body beautiful, **CHERO-KEE** proves that the rugged life of the American Indian has much to offer in the way of toning and shaping up those muscles.

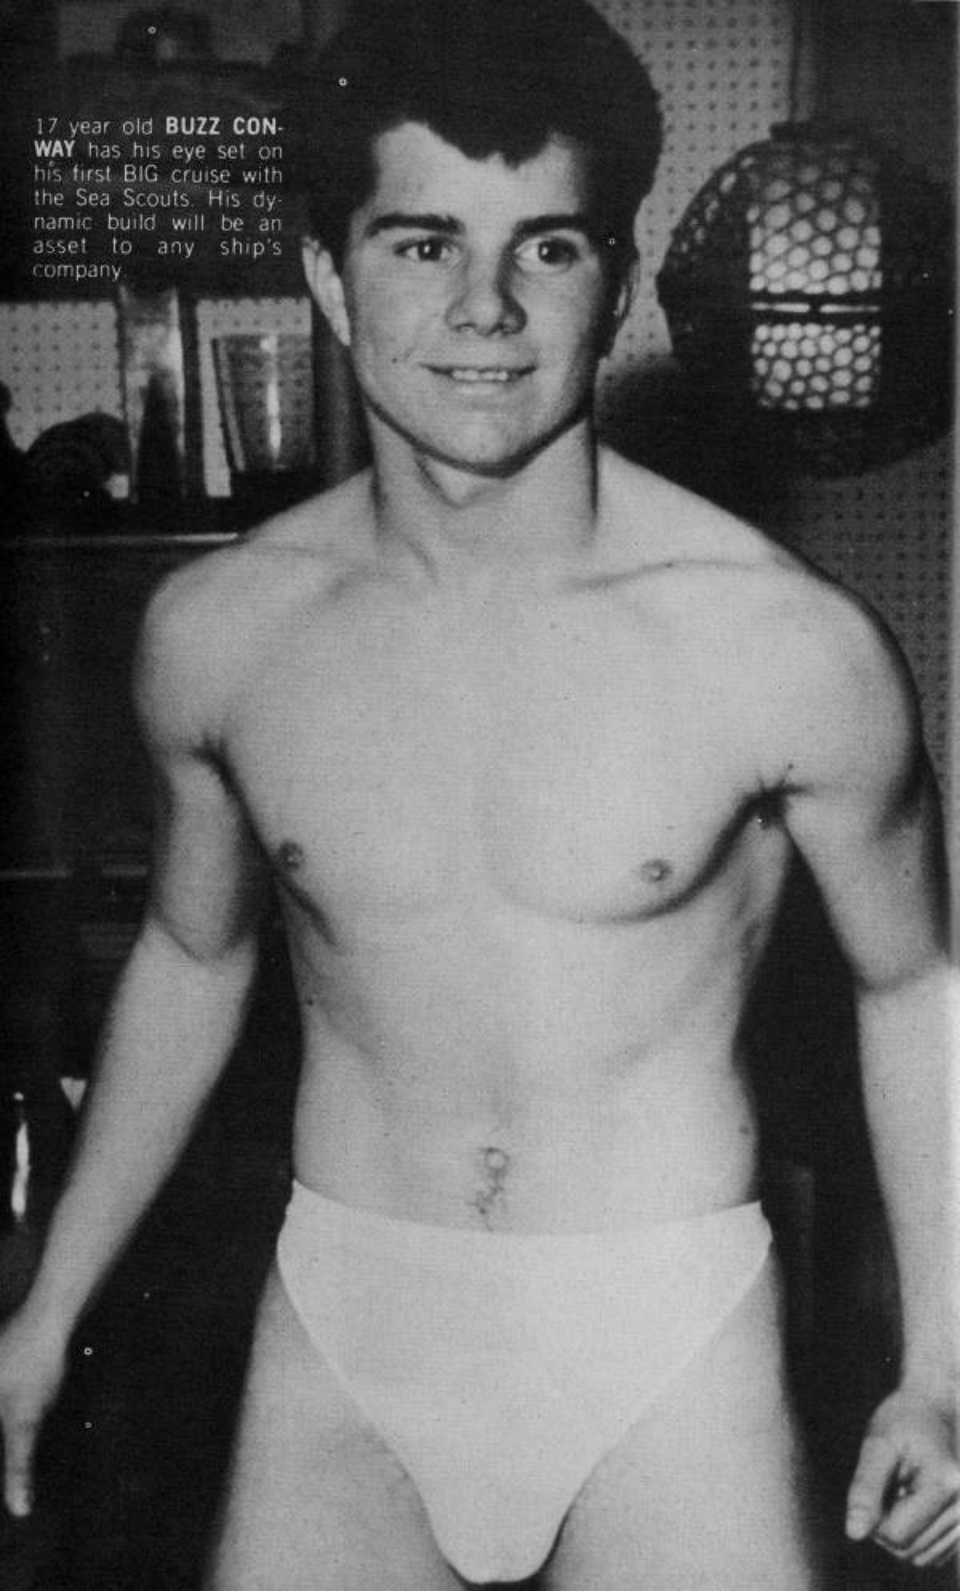

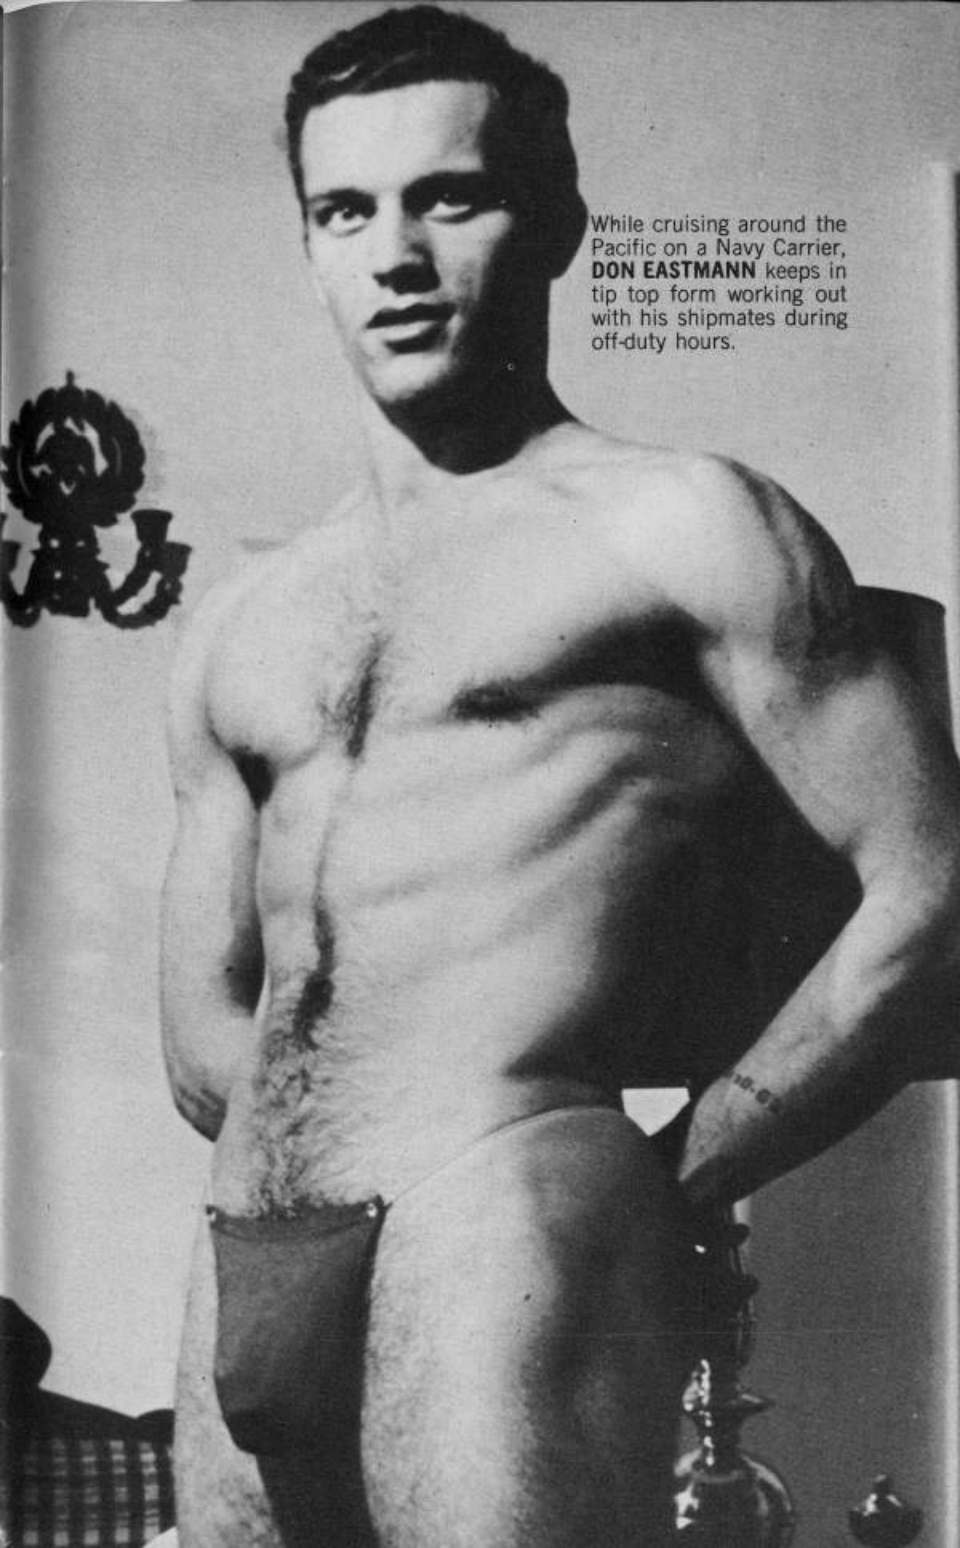

A truly fine handsome-
ness and fabulous
physique go hand in hand
when it comes to **WALT
COVERT**. He's the center
of attraction on his col-
lege campus.

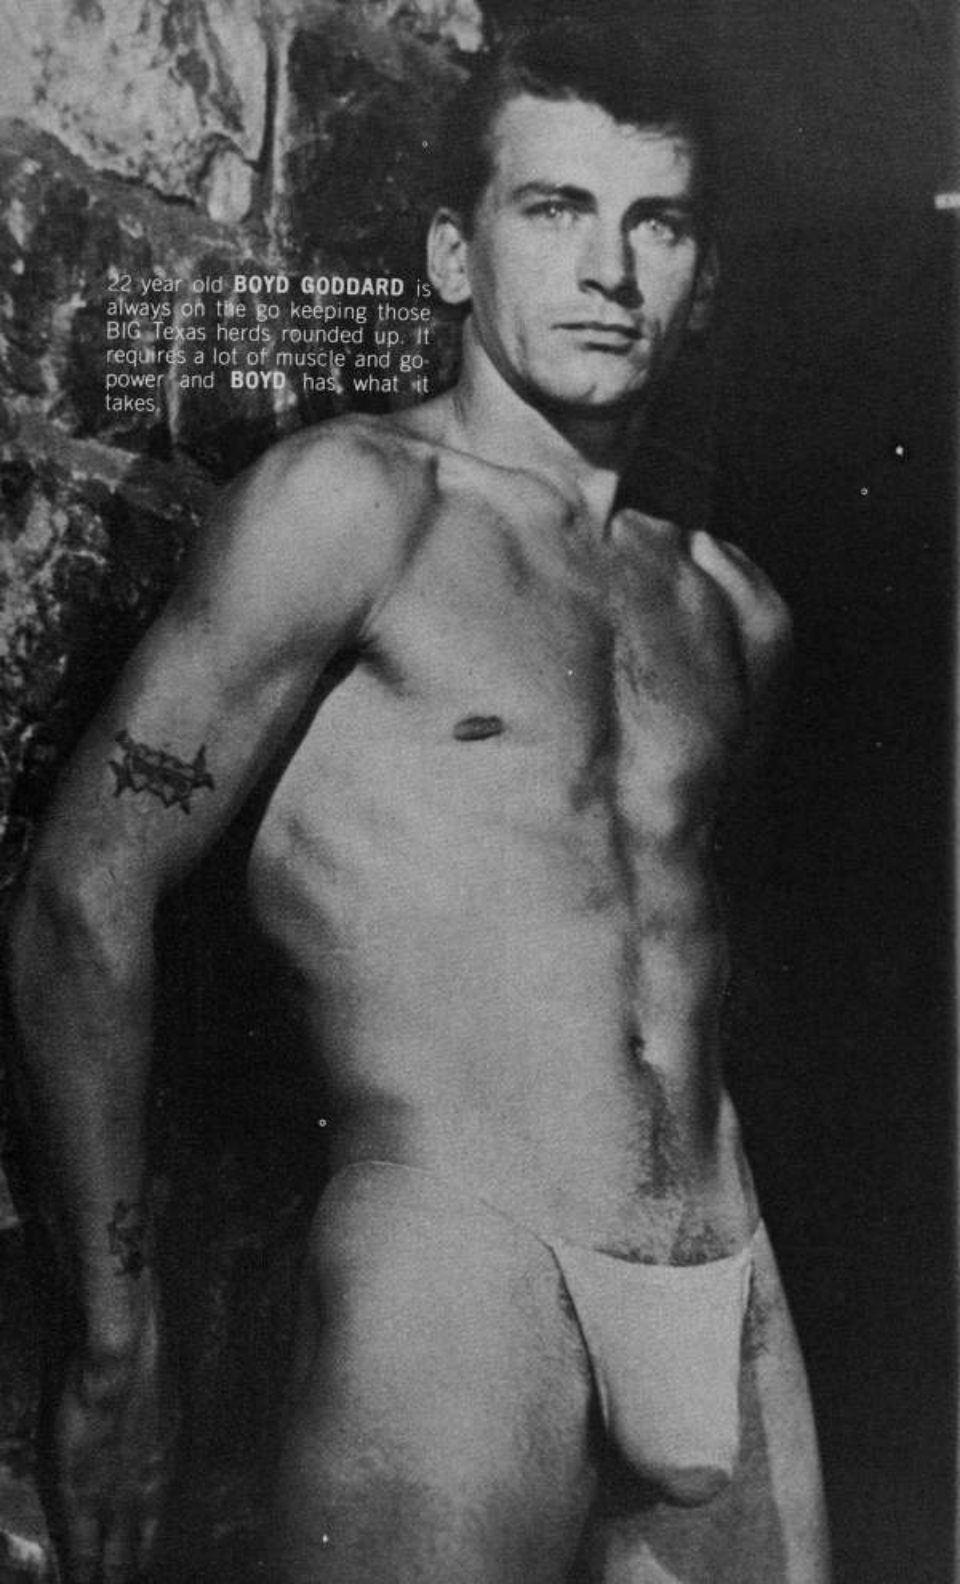

17 year old **BUZZ CONWAY** has his eye set on his first BIG cruise with the Sea Scouts. His dynamic build will be an asset to any ship's company.

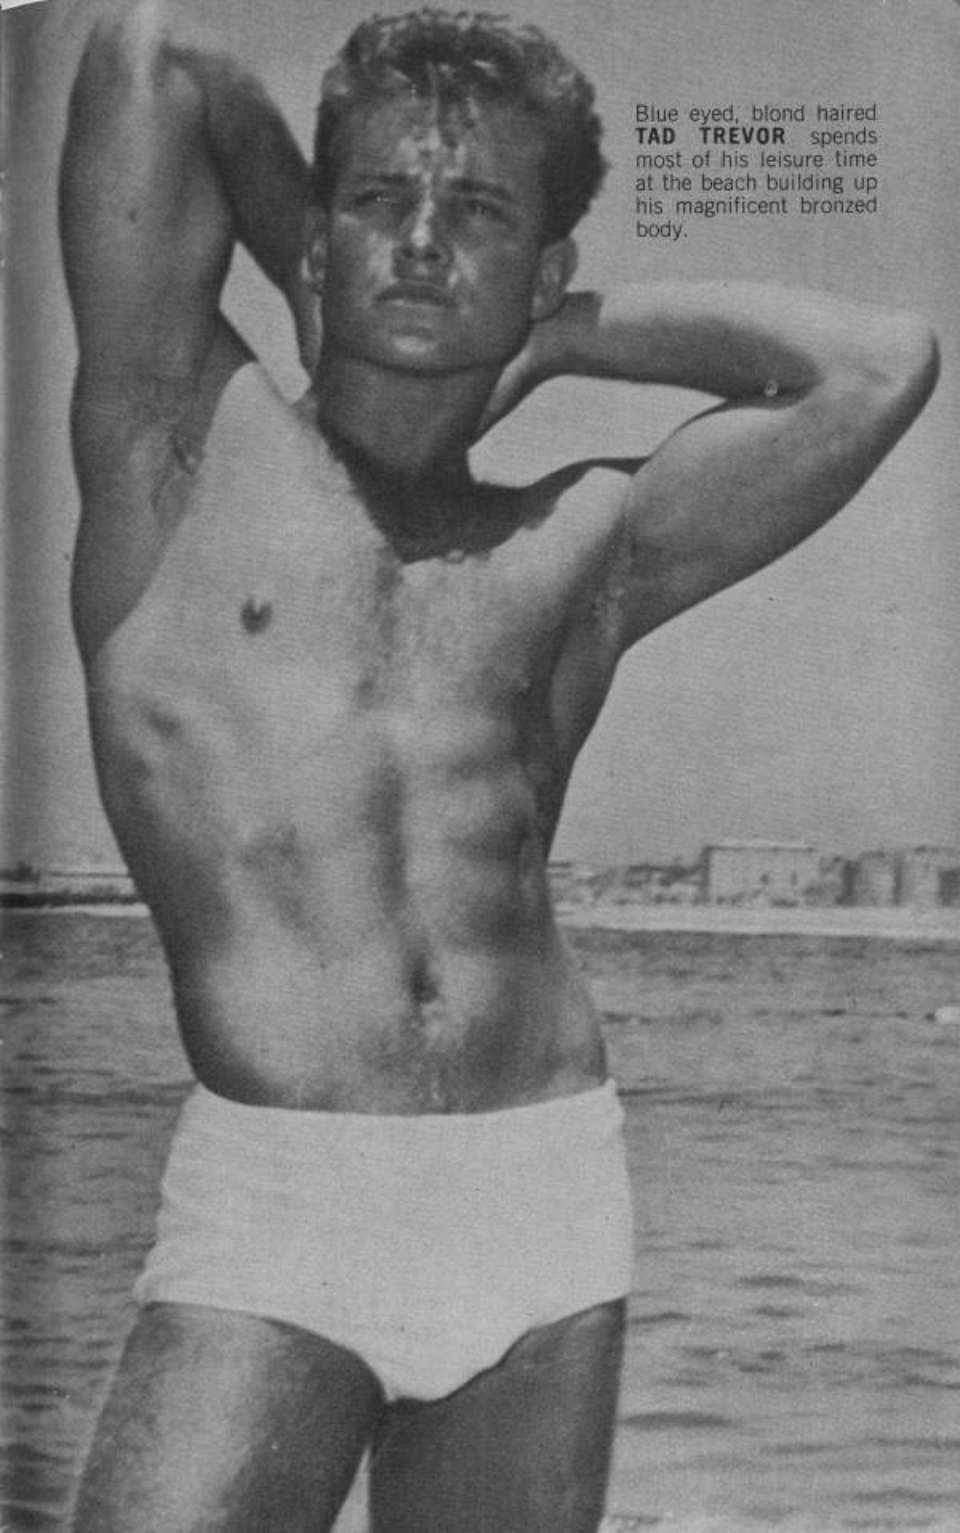

While cruising around the Pacific on a Navy Carrier, **DON EASTMANN** keeps in tip top form working out with his shipmates during off-duty hours.

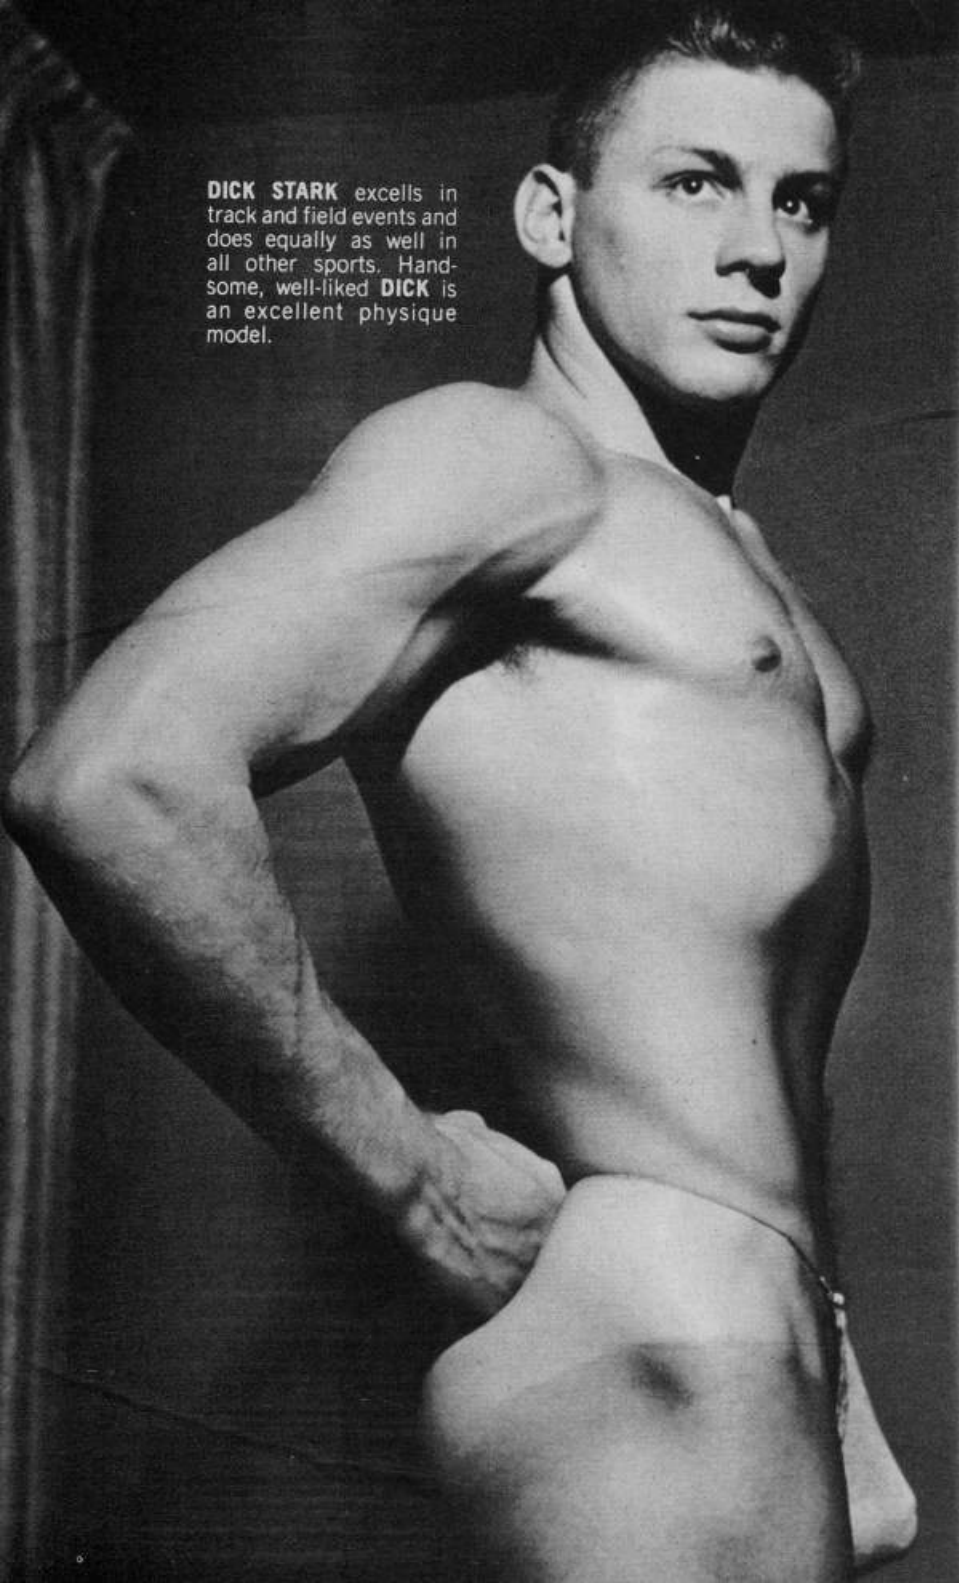

22 year old **BOYD GODDARD** is always on the go keeping those BIG Texas herds rounded up. It requires a lot of muscle and go-power and **BOYD** has what it takes.

Blue eyed, blond haired
TAD TREVOR spends
most of his leisure time
at the beach building up
his magnificent bronzed
body.

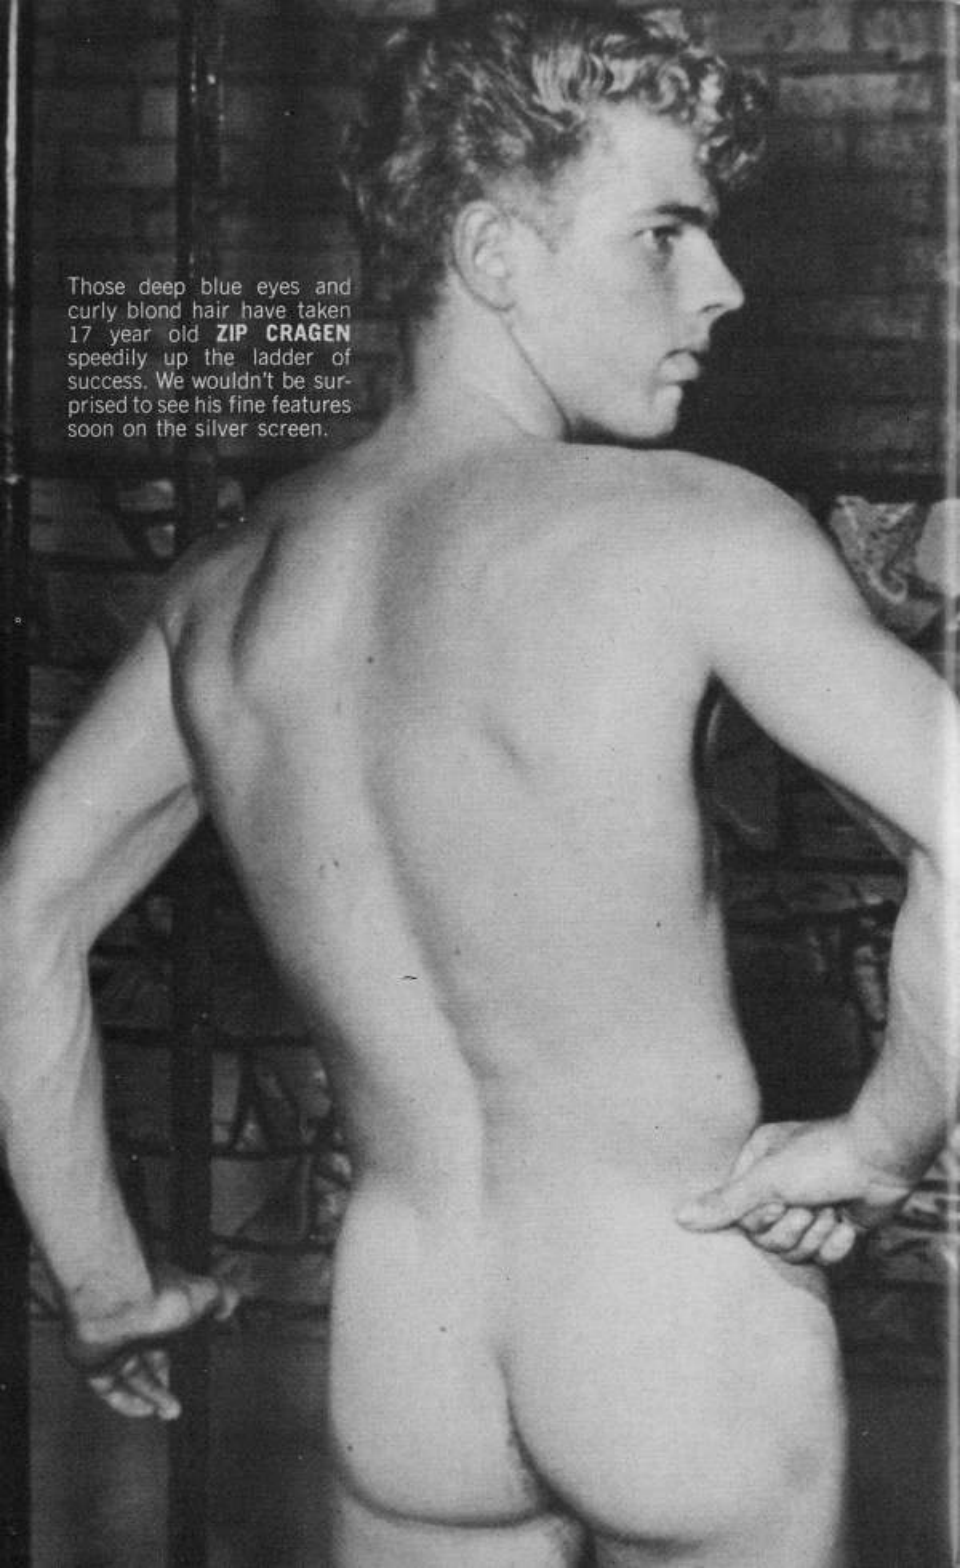

DICK STARK excels in track and field events and does equally as well in all other sports. Handsome, well-liked **DICK** is an excellent physique model.

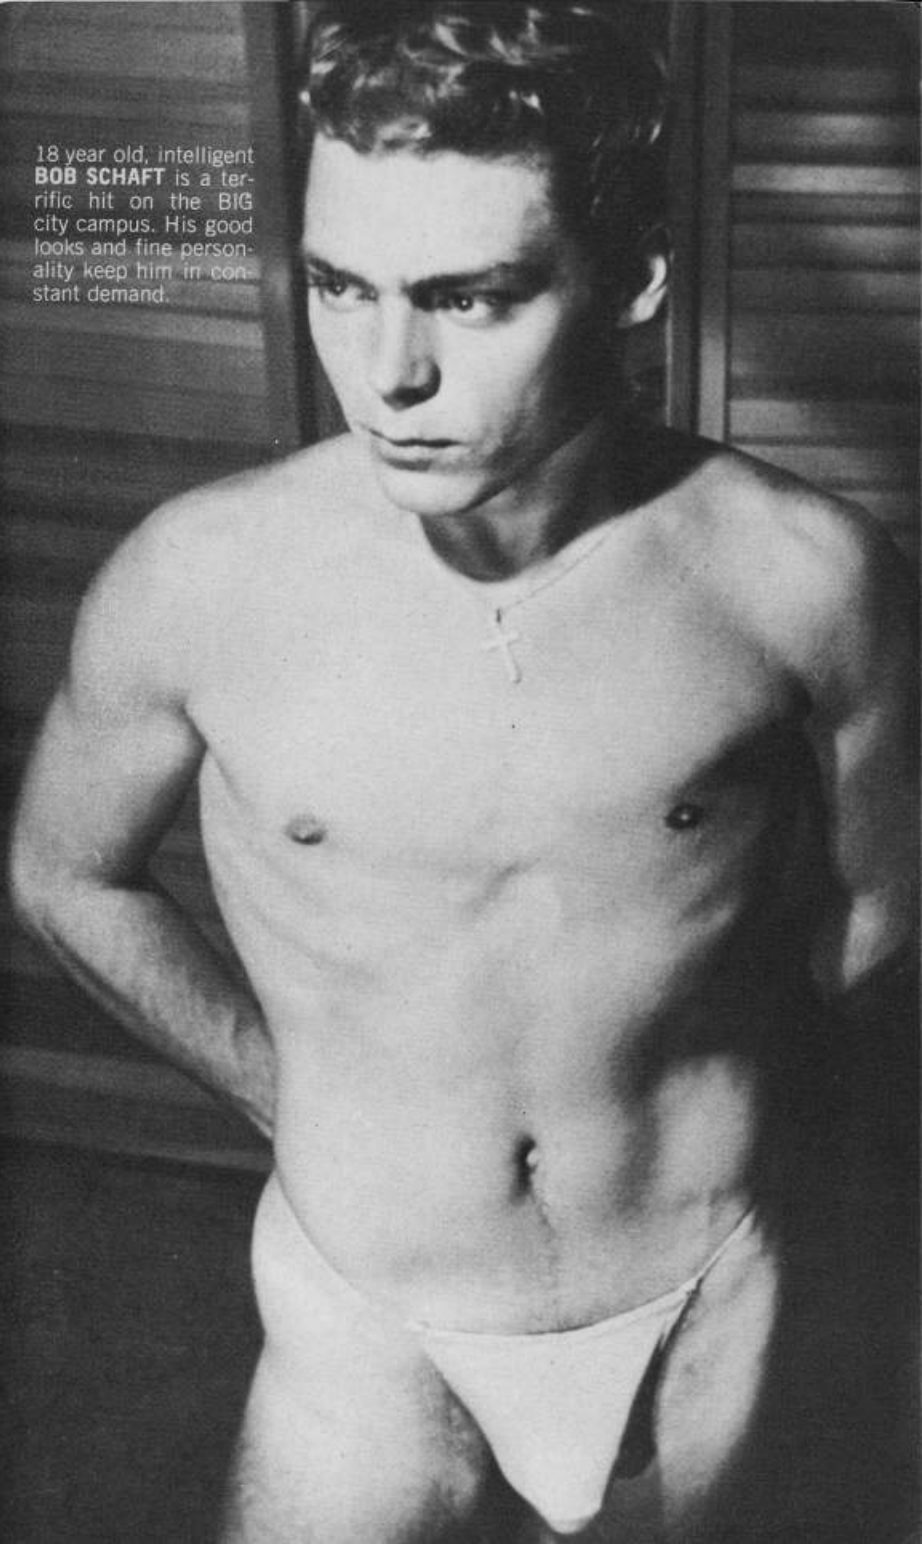

Of Scottish descent, 17 year old **BRUCE MAC NEILL** has quickly risen to great heights as a New York acting student.

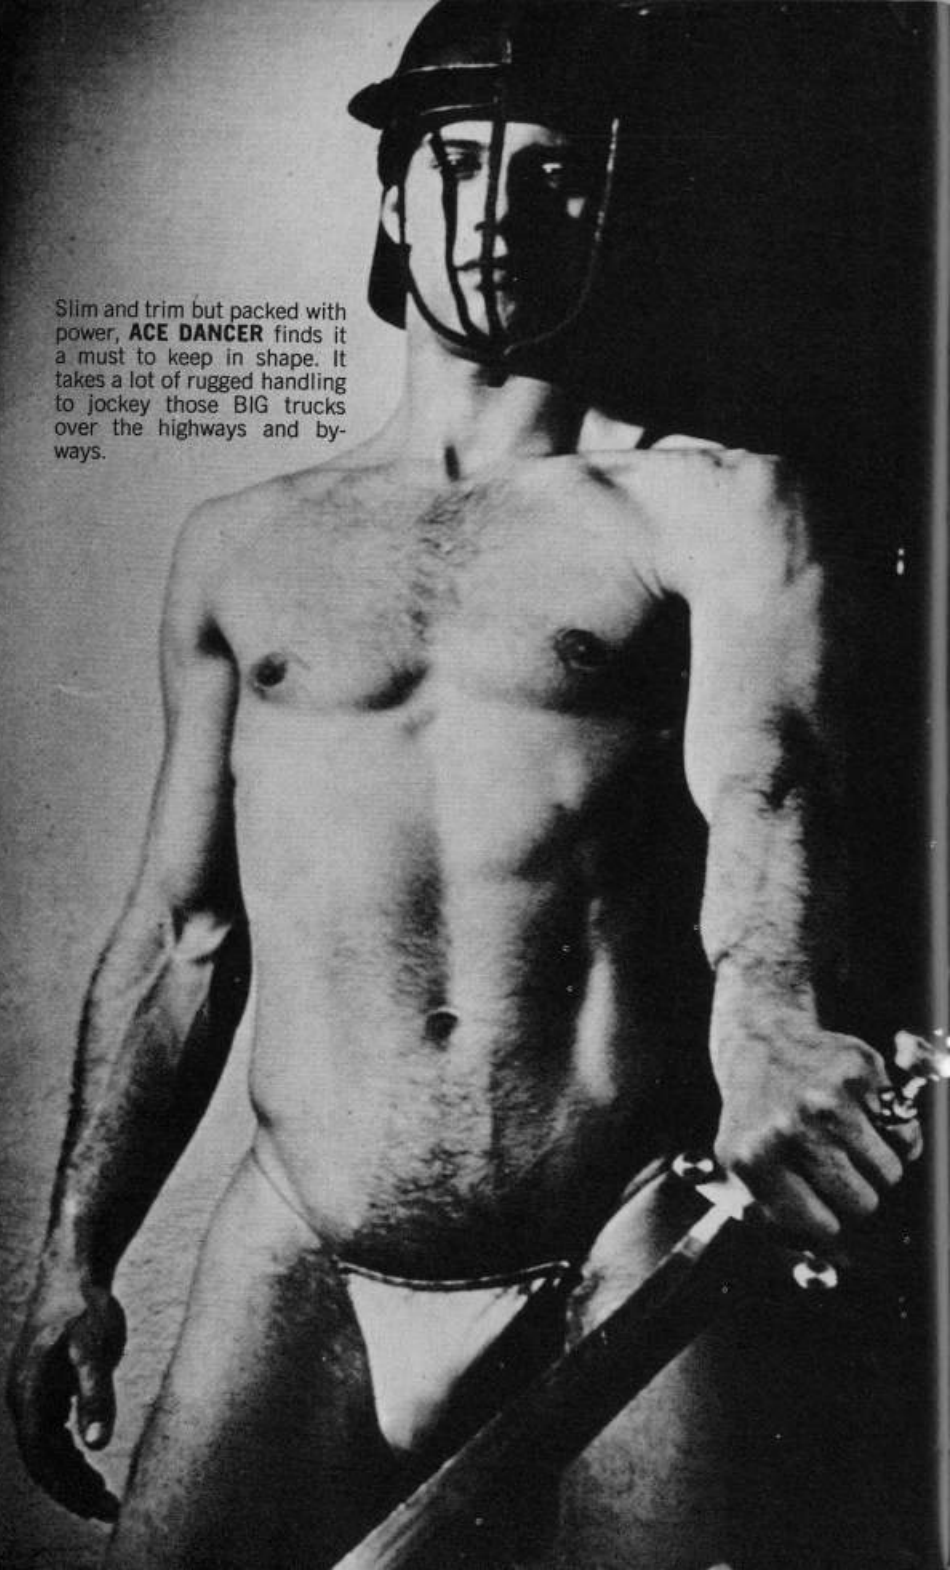

Those deep blue eyes and curly blond hair have taken 17 year old **ZIP CRAGEN** speedily up the ladder of success. We wouldn't be surprised to see his fine features soon on the silver screen.

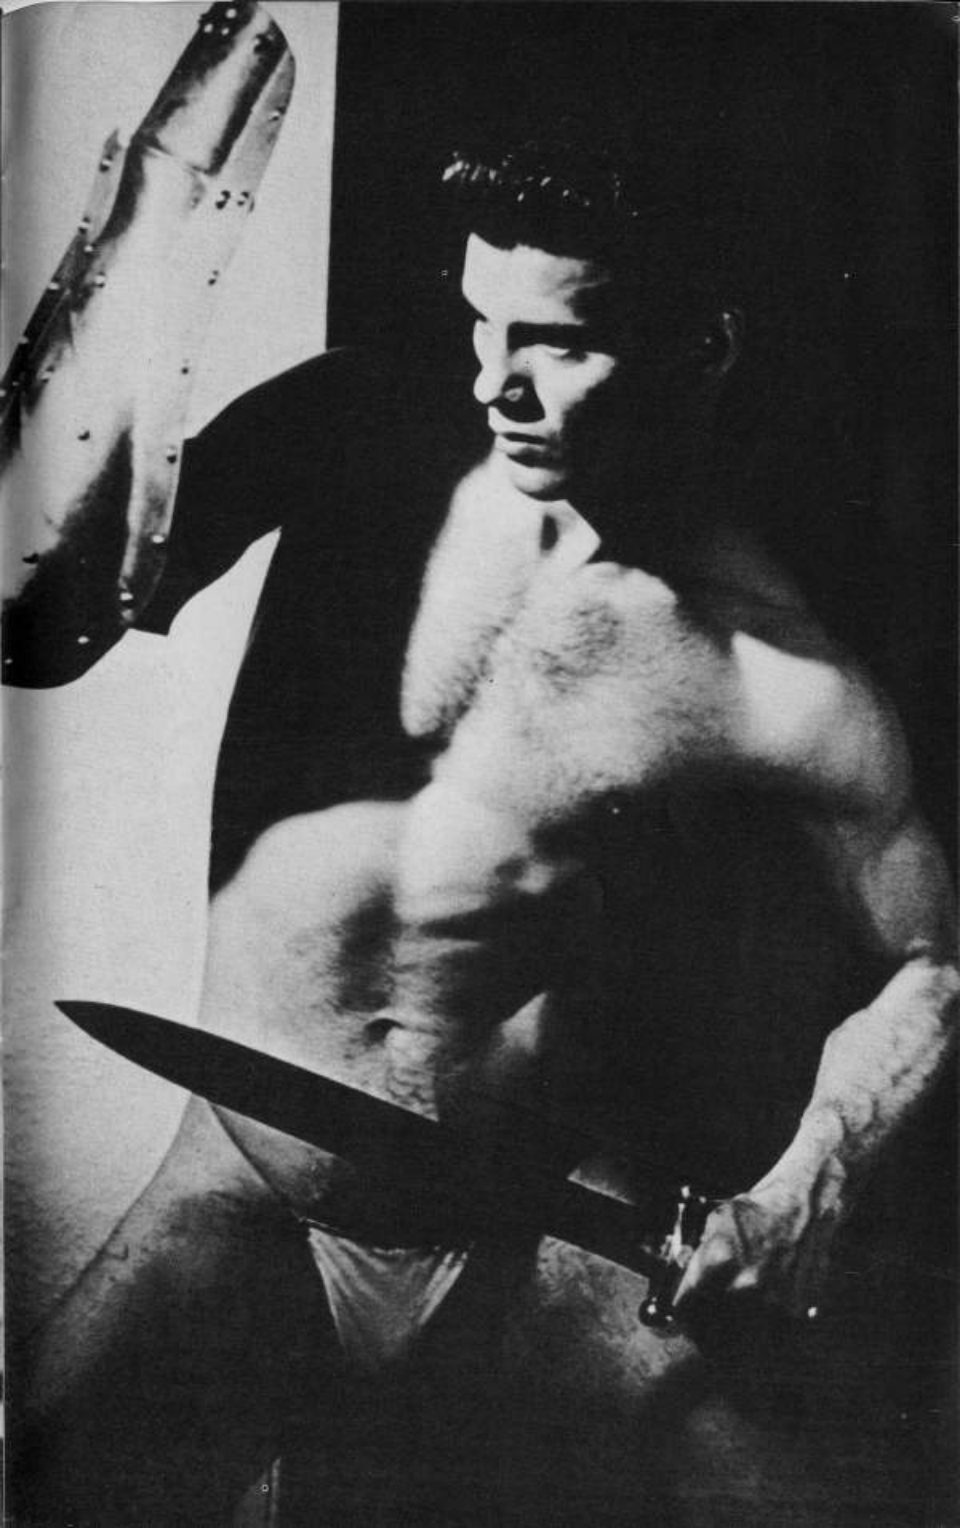

18 year old, intelligent
BOB SCHAFT is a ter-
rific hit on the BIG
city campus. His good
looks and fine person-
ality keep him in con-
stant demand.

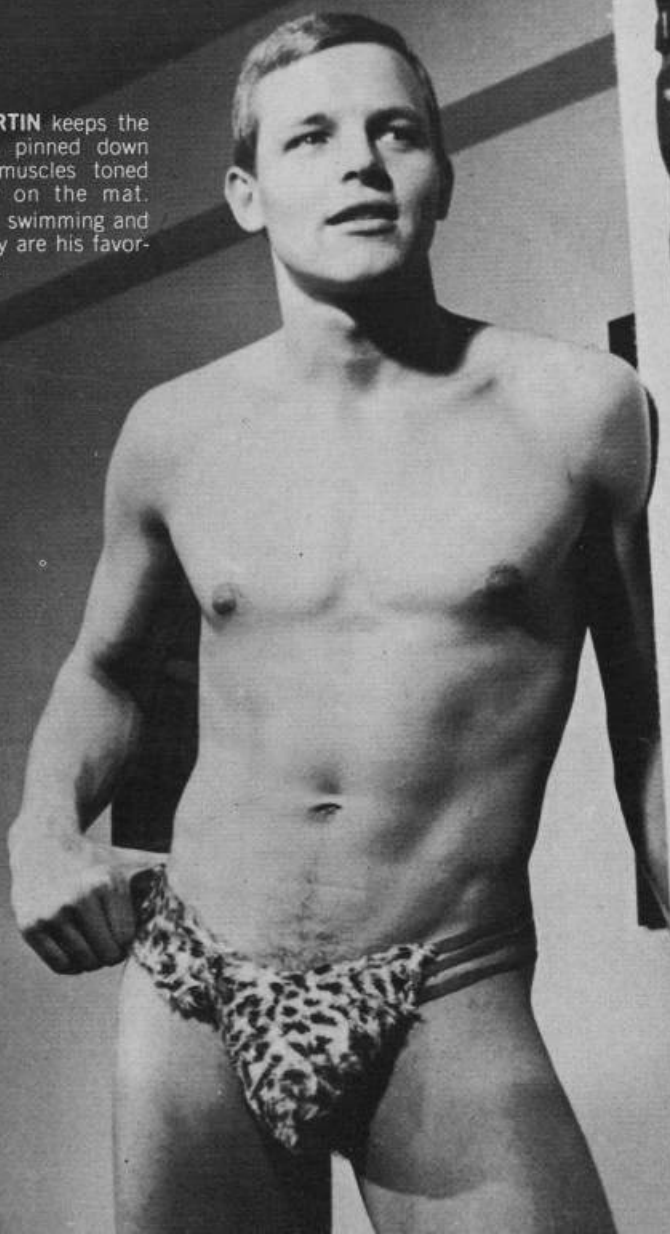

Slim and trim but packed with power, **ACE DANCER** finds it a must to keep in shape. It takes a lot of rugged handling to jockey those BIG trucks over the highways and byways.

BIG PREVIEWS

JOEL MARTIN keeps the BIG ones pinned down and his muscles toned up while on the mat. Wrestling, swimming and ice hockey are his favorite sports.

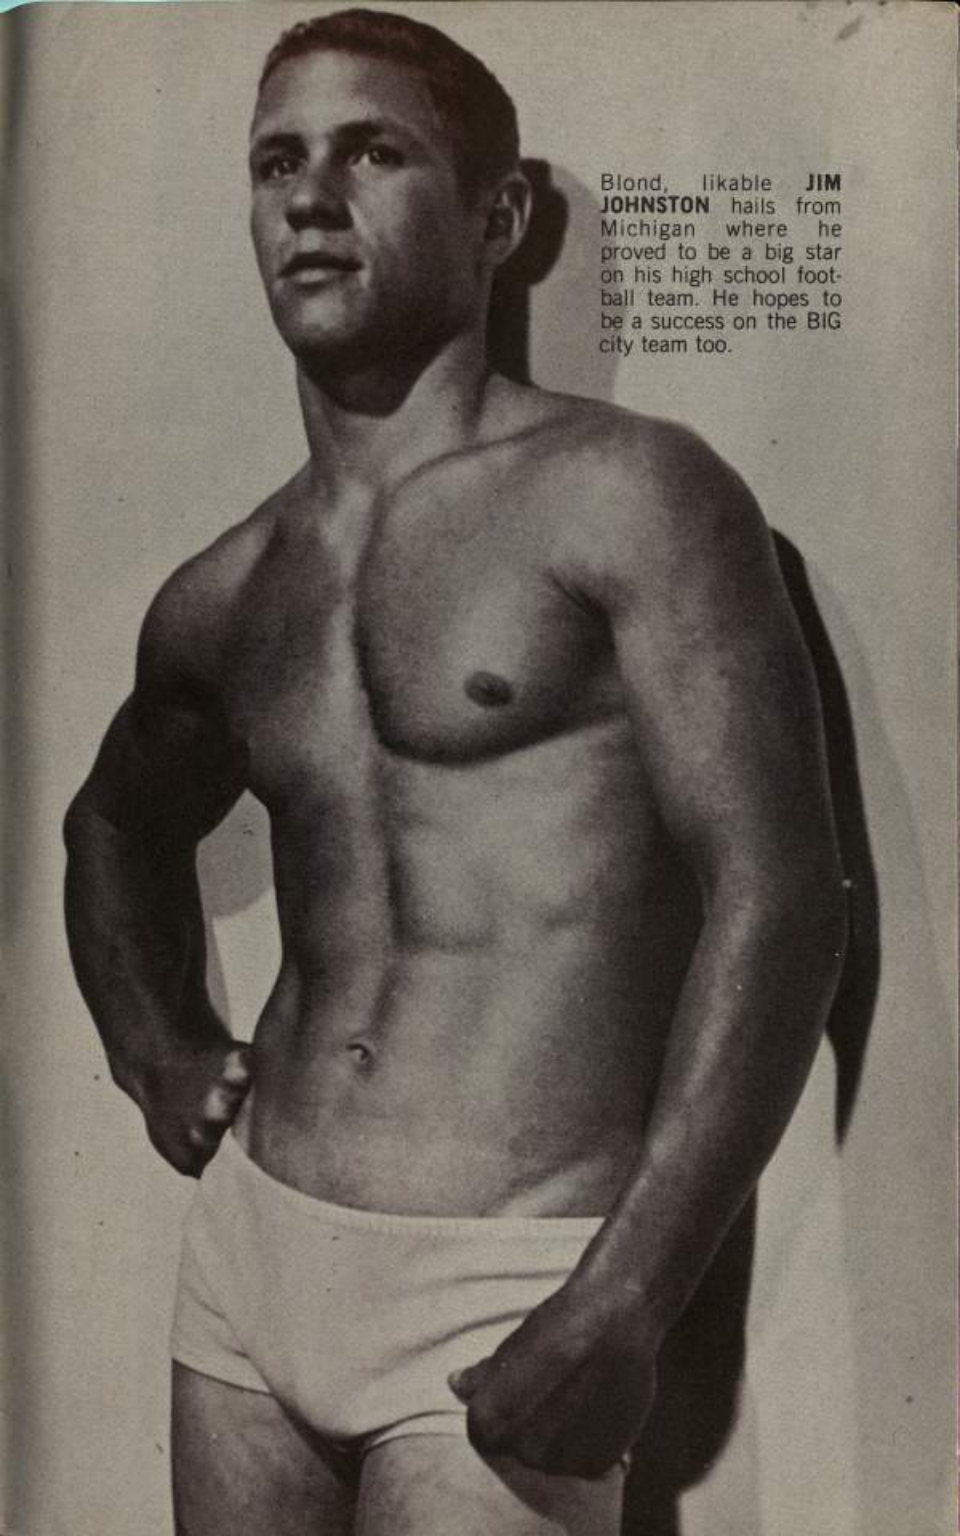

STAN HILKERT loves the outdoors and spends a lot of time on the wooded trails and hills near his Northcountry farm-land.

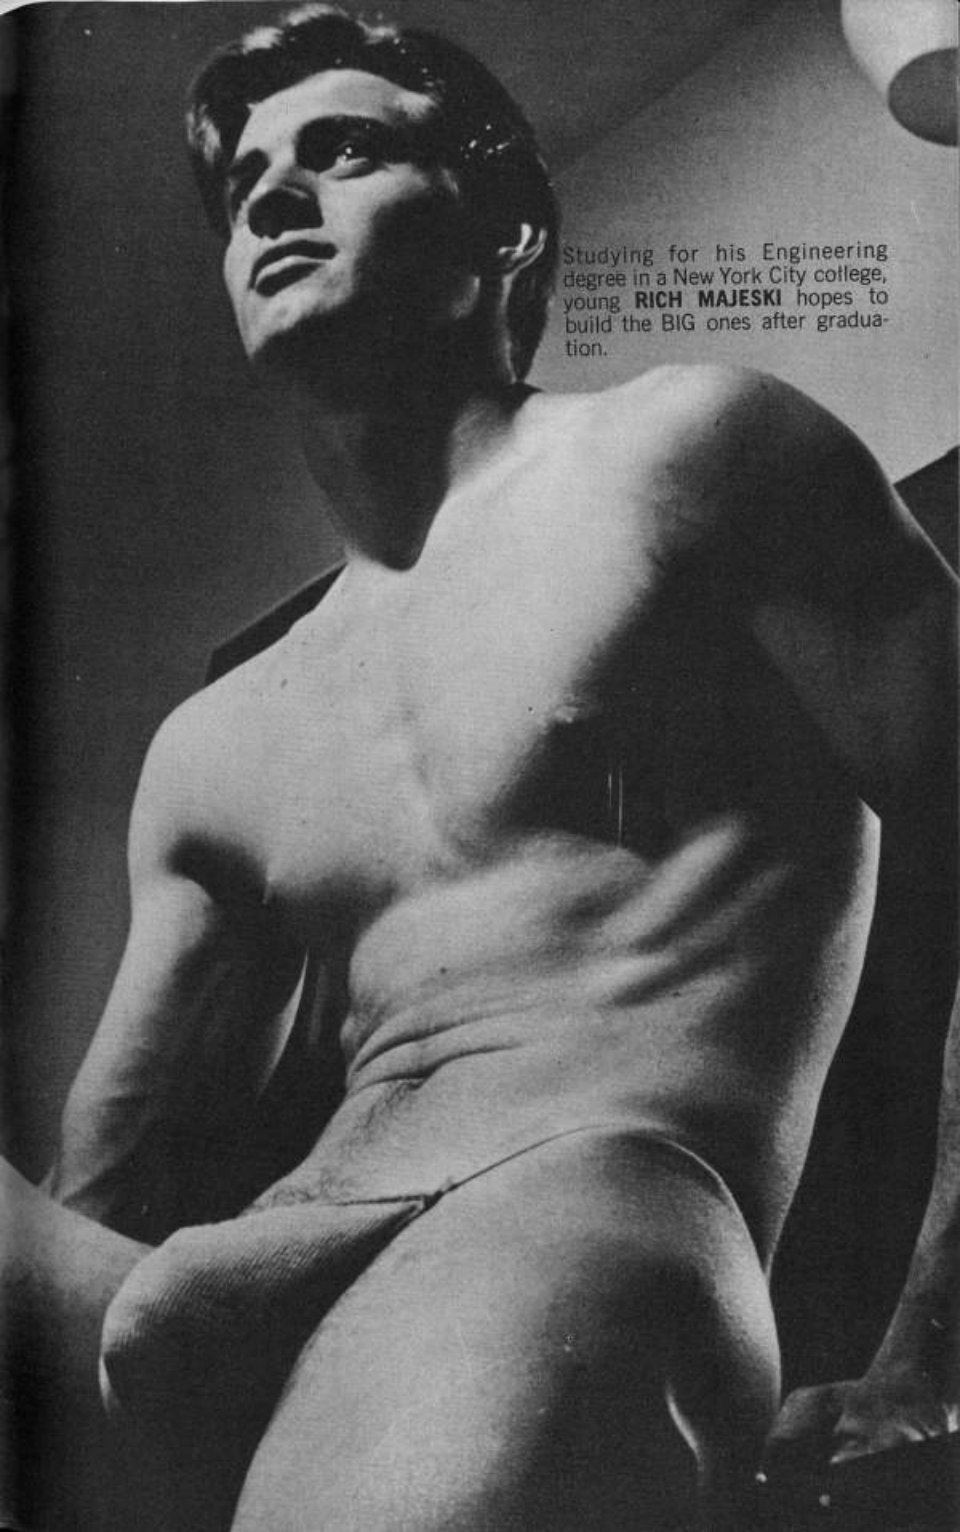

BILL LAWRENCE is a fancier of the world beneath the sea and spends much time with his scuba gear exploring the depths. This keeps him trim and well developed.

Blond, likable **JIM JOHNSTON** hails from Michigan where he proved to be a big star on his high school football team. He hopes to be a success on the BIG city team too.

Boot training in the Marines has really shaped up young **WARREN NEWMAN**. His free time is spent in the base gym keeping those muscles active.

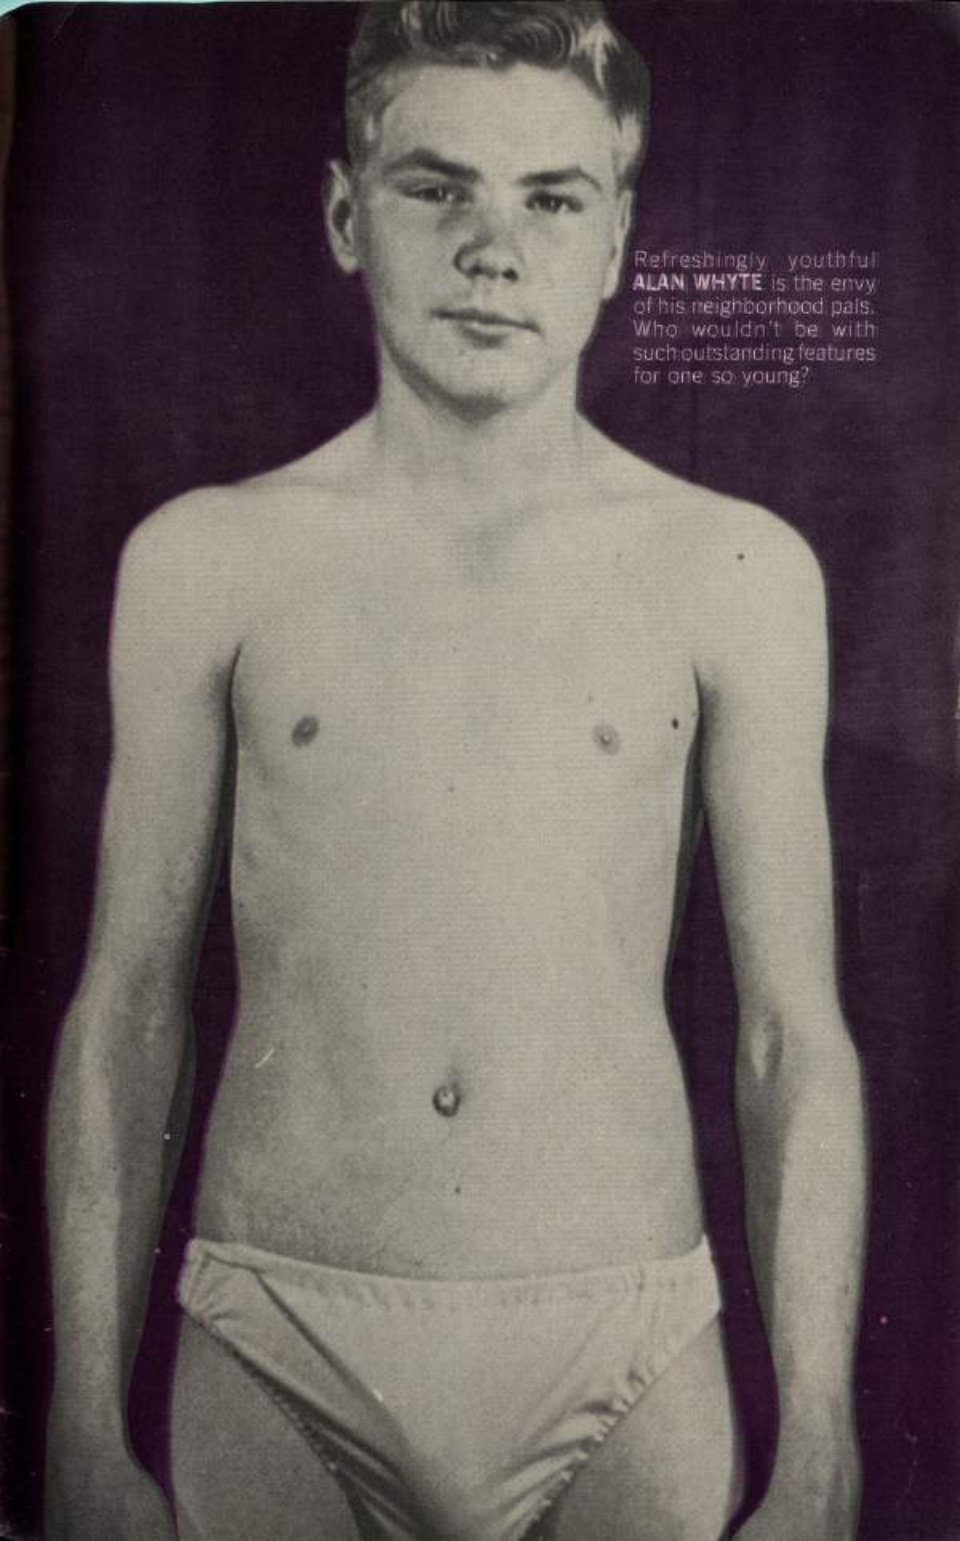

A black and white photograph of a young man, Rich Majeski, posing shirtless. He is looking upwards and to the left, with his head tilted back. His body is very muscular, with prominent pectoral, abdominal, and leg muscles. He is wearing a pair of dark, possibly black, briefs. The lighting is dramatic, coming from the side, highlighting the contours of his muscles. The background is dark and out of focus, with some indistinct shapes that could be part of a set or a building.

Studying for his Engineering degree in a New York City college, young **RICH MAJESKI** hopes to build the BIG ones after graduation.

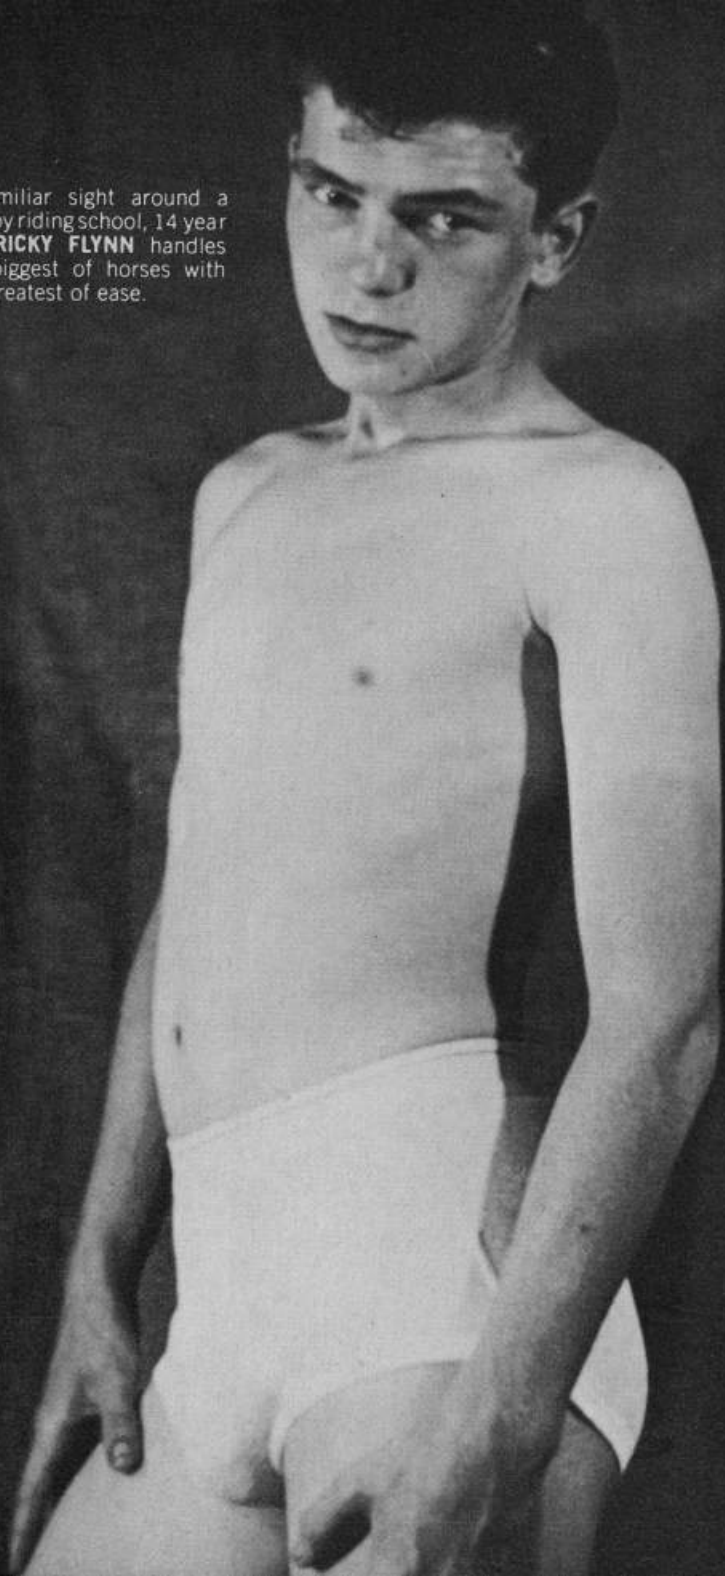

Good natured **DOUG BETTS** is rough and ready for anything. He stays in top notch shape by working on the docks in New York and with his nightly workouts in his neighborhood YMCA.

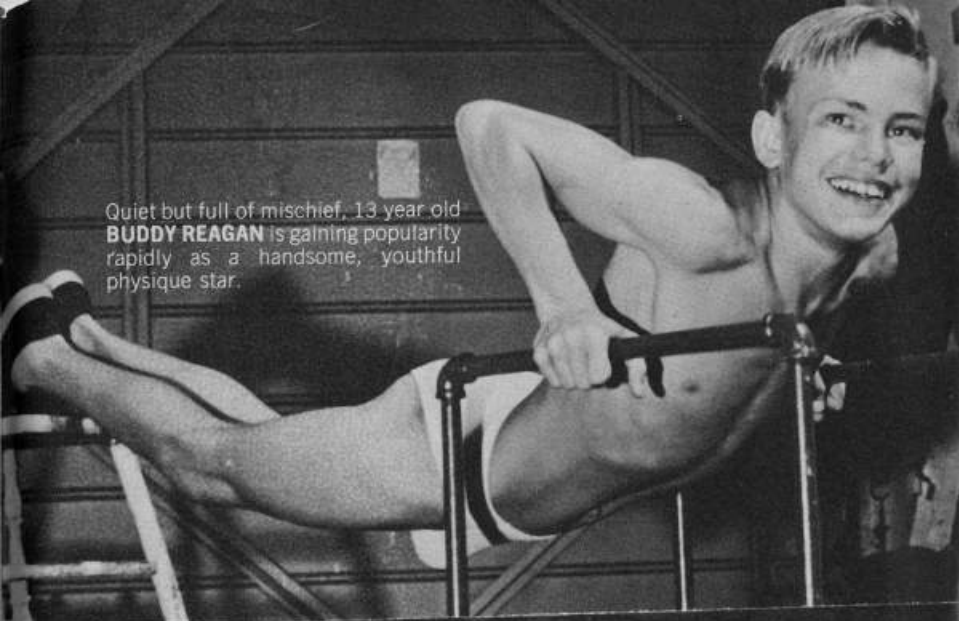

Refreshingly youthful
ALAN WHYTE is the envy
of his neighborhood pals.
Who wouldn't be with
such outstanding features
for one so young?

A familiar sight around a nearby riding school, 14 year old **RICKY FLYNN** handles the biggest of horses with the greatest of ease.

Quiet but full of mischief, 13 year old **BUDDY REAGAN** is gaining popularity rapidly as a handsome, youthful physique star.
